ARKANSAS LISTS 3 POLIO CASES

LITTLE ROCK, Aug. 18 (AP)—The state Health Department said Friday that three cases of paralytic polio have been reported.

The latest case was that of a five-year-old Morrilton boy. The boy had taken four polio shots, the latest in September 1959.

Earlier Friday the department had been notified of the case of a 17-year-old Russellville girl.

Dr. W. L. Bunch Jr., director of the department's Communicable Disease Division, said the girl had not had any shots.

The first case was of a nine-year-old Miller County boy, who had had three shots but hadn't received a recommended fourth, Dr. Bunch said.

The following copied at the Arkansas History Commission (State Trustees for the care of Public Archives & History), Little Rock, Arkansas, for Eunice Bradbury. Copied by a researcher, Mrs. C.S. Woodward, 2005 Scott St., Little Rock, Ark. (Sent to Geneva King by Eunice Bradbury about 1959)

Dorothy, have you any idea as to who these children belonged to? I suppose this must have been Old George, aged 69, but it had been written over, and I couldn't tell for sure. Also, he was the last on~~e~~ the page, and the 4 children were at the top of the next page (30). The surname was not repeated - just ditto marks. The page numbers and family and house numbers allchecked out. I thought at first the pages were mixed. I never heard of these children before. Could they have been "Wooden" children?

Walter Bunch and Elizabeth______ were my two greats-grandparents. Andrew was my great -grandfather. He died in a Union prison in St. Louis of inflammation of the lung 30 Jan. 1864. He was in Kitchen' Regiment in the Missouri Cavalry. He left his widow, Hulda J. Walker Bunch(my great-grandmother)and a daughter, Temperance Elizabeth Bunch, who was my grandmother. She married a Moody, and after he died she married my grandfather, Christopher Columbus Golden(who always signed his name C.C. Golden, and probably would not appreciate my writing it out). My mother is their daughter, Myrtle Evans Golden, who married Henry Elmer Smith in 1917.

I am trying to learn who Walter Bunch's wife, Elizabeth was. They lived in Perry County, Tennesse before coming here(accoring to the census they went to Mo. before coming here. I believe they were here around 1840, but had to be by 1843 according to this census). That (PERRY Co TENN) courthouse burned three times, and I learned little by going to that county. I did come across sume Bunch and Couch deeds, but there was nothing in them to help me. I have thought Elizabeth might have been a Couch, and the John Couch in her home her brother.

The Samuel Bunch on the above census was the first postmaster of Manila Ark., which was first named Cinda after his daughter.

I am not sure who the following Bunch family is , but I thought Rodney might be a brother of Walter, although I have never known a Rodney in the family in my time. I failed to get anyone's birthplace except his.

Letter from Mrs. C.S. (Ruth W.) Woodward, Albert Pike Hotel, Little Rock, Ark.
Dated April 17, 1962. (Mrs. Woodward does research work)

Dear Mrs. King:

Due to a very crippling fall that I had in October, I am not able to get out and research, but I am still very much interested in research and I suggest that you write to Mrs. T. H. Bowles, Ark. Hist. Comm, Old State House, Little Rock, Ark., and see if she can give you the information that you wish. All old (news) papers are kept there.

The name Bunch is most interesting to me, as I recently copied records of an old Bunch Bible that was found at the Good Will Industry by a local lady interested in old records. This is the Bible of Daniel Gillis Bunch, b.1832, and his wife Elvira, b. 1838. The Bible belonged to Mrs. Ella Bunch, b. July 17, 1867 and d. June 11th, 1920, at Belfast, Ark. However, no George or Garrett listed.

****** ******* *********

I guess this ia all that I copied here in Georgia.

Hope you and your husband are all right.It was a terrible summer here-so hot and so DRY. It is so bad on livestock and PEOPLE.

It is raining here some but not enough yet..maybe there will be more.Some places in Texas are being flooded...my sister lives in Killeen,Texas near Ft.Hood and they had a very heavy rain-around 5½ or 6 inches.Many persons had to be evacuated from their homes etc.The army helped with supplies and man power.

Mrs.Hignett has all the marriage books published by Catherine L. Knorr on the marriages of Virginia. I do not remember if I examined all of them for Bunch or not but this county had so many- Louisa.

I am not progressing much on my families.Had hoped to be gone by now on a trip,but here I am at home. I think a good deal of it is ME. I do not have the Zip and am inclined to postpone most any thing. Of course as you know there are so many things to keep a person at home. Best wishes....keep the film as long as you wish.

Love,

Mary Cox

Among the Very Treasure~~r~~ family possessions of my Aunt, Mrs. Maggie (Hudson) Fitzwater, was a very old picture of a man and woman dressed in a type worn about civil war times or a little later. It was made at Mt. Sterling, Ill. This couple may possibly be my grandparents, Edward Hudson and Orlena Bunch, Taken perhaps on their honeymoon, in 1865. ~~####~~ So I ran this census to see what I could find. Can't place the Isaac, but a Samuel Bunch who settled in what is now Osage Co., Mo., whom I believe older brother of~~m~~ my great-grandfather James Bunch, was a chairmaker, and an older cousin tells me that Giddings families in Carroll Co., Mo., were related to us in some way. "In answer to your letter of Nov. 12th, I wish to state that I am very much interested in your search for information concerning the Bunch family although it concerns my study only incidently. I have a friend who is very much interested in the Bunches as his mother was Ruth Bunch the daughter of William T. Bunch who was also a pioneer family of Mitchell County (Kansas). My recent publication "HANDS ACROSS THE YEARS" gives an account of that family of Bunches which came to Kansas from Indiana......"

Poor, honest man rewarded

Ron Bunch, a poor but honest man, got a $5,100 check to go with the 85 cents in his pants pocket as reward for returning $205,000 which a bank at first didn't seem very interested in recovering.

The reward from Brooks Armored Car Co., along with a thank you, came 24 hours after Bunch saw the cash tumble out of an armored truck he was following on a downtown Philadelphia street.

"It's something that doesn't happen very often, and probably won't happen to me again," Bunch said. "The first thing I'm going to do is buy a better used car. And then I'm going to take my wife out to a restaurant dinner."

At first, a spokesman for Brooks, which was transporting the Girard Bank cash, promised to give Bunch a $1,000 reward but backed off when the incident was made public.

Bunch, who has four children and a raft of debts, didn't think twice about whether to return the money to Girard Bank.

"My friends all call me crazy," Bunch said. "I know some would have kept it. I think I was right to turn it in, but what surprised me was the bank didn't seem to care. They sure didn't come for the money very fast."

Caney To Honor General Wark

Sept 4-1973

CANEY, Kan. — Gen. George H. Wark, 94-year-old Caney attorney, and well known leader in Kansas government, will be honored at a special event scheduled Sunday, Sept. 9 here.

At that time the Caney Memorial Park will officially be renamed "Wark Memorial Park," following action by the Caney City Council last week.

Caney Mayor Bob Bunch extended an invitation to all of Wark's friends in this area to come to the event.

Gen. Wark will be at the park from 2-4 p.m. to informally greet his friends and a short program is being planned shortly after 2.

Wark was the organizer of the Company D National Guard unit in Caney during WWI. Most of the surviving members of Company D will attend the Sunday afternoon ceremony.

Wark is a former Kansas State Senator and has served in virtually every leadership capacity in his hometown of Caney.

Everyone in this area is invited to attend.

Concord, Calif.

Dear Mrs. Thomas:

In answer to your letter of Nov. 12th, I wish to state that I am very much interested in your search for information concerning the Bunch family although it concerns my study only incidently. I have a friend who is very much interested in the Bunches as his mother was Ruth Bunch the daughter of WilliamT. Bunch who was also a pioneer family of Mitchell County. My recent publication - Hands Across the Years gives an account of that family of Bunches which came to Kansas from Indiana. He is going to search his records and if he has any more information about the family I will write you.

I am more interested in the Steere family right now. Could you tell me something about those ancestors? We had neighbors by that name at one time in Asherville township although I was too small to remember them. There was another family of Steere living south of Asherville. The daughters name was Sadie and the son's name was Solon. Are you a relative of theirs? Being an amateur genealogist and having written a book on genealogy I am interested in any problem on the submect. Were my parents alive they could no doubt tell of the people who lived and died in Mitchell county as they were also early settlers of the son and daughter of early pioneers.

As I am a teacher in the public school here I have little time to devote to genealogy but I am intensely interested in the subject and hope you have success in your search for information. I would be pleased to hear from you again.

Very truly,

Mrs. Nick A. Ernzen.

KENTUCKY MILITIA AT THE RIVER RAISIN, 1813—The above drawing is one of H. Charles McBarron Jr.'s many sketches from Fairfax Downey's new book, "Indian Wars of the U.S. Army (1776-1865)" (Doubleday; $4.75). Downey chronicles the less well-known battles that followed Colonial times and preceded the Civil War—battles that were fierce and bitter combats, and more critical in the development of the country than either their predecessors or successors. They helped to make three Presidents—Jackson, Harrison and Taylor. Downey, a veteran of both World Wars, has written numerous books on guns and warfare.

Dear Miss Thomas:

Since writing to you about Callaway Bunch, I have found a reference to him in James Rood Robertson's PETITIONS OF THE EARLY INHABITANTS OF KENTUCKY TO THE GENERAL ASSEMBLY OF VIRGINIA, 1769-1792. John P. Morton and Co., Louisville, Ky. 1914. (Filson Club Publication No. 27)

Among the many names signed to this petition (#58) were:

Callaway Bunch,
Charles Bunch,
Clark Bunch
Joseph Bunch
Record Bunch (Richard?)
Zachariah Bunch.

I am wondering if from/~~xxx~~ this you can search in the counties that were in existence prior to 1792 for these Bunches who may have left wills. As you had a Zachariah Bunch born at a later date I thought that you might not know about these.

I would appreciate having the carbon back when you write again.

Sincerely,

EXPLANATION OF ORDER FOR PHOTOCOPIES

Some years ago, in order to reduce the cost of our service and to decrease the likelihood of copying errors, we discontinued the practice of transcribing genealogical information from the records and adopted, instead, the practice of furnishing photocopies of the original documents for a fee. This practice has proved, on the whole, satisfactory to our patrons.

Now, in order to reduce the average amount of fees and to speed up our service, we have installed a flat fee system.

Please use the reverse of this form to order photocopies of records relating to a person who served in the United States or Confederate Armed Forces. We can furnish photocopies relating to the following subjects:

a. United States military service before World War I and Confederate military service;

b. United States (not Confederate or State) pensions claimed on the basis of service before World War I; and

c. United States (not State) bounty lands claimed on the basis of service before 1856.

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a file for the person identified by your order, we will send photocopies of the documents we think most likely to be of interest to you. If we do not find a file that we can identify with the person in whom you are interested, we will refund your money.

EXPLANATION OF ORDER FOR PHOTOCOPIES

Please use the other side of this form to order photocopies of records relating to a person who served in the United States or Confederate Armed Forces. We can furnish photocopies relating to the following subjects:

a. United States (not State) pensions claimed on the basis of service before World War I;

b. United States (not State) bounty lands claimed on the basis of service before 1856;

c. United States military service performed after 1774 and more than 75 years ago and Confederate military service. (NOTE - We do not have information relating to military service rendered before the Revolutionary War.)

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a pension or bounty-land warrant application file which we believe relates to the person in whom you are interested, we will send photocopies of the documents we think most likely to be of interest to you. If no pension or bounty-land warrant application file is found, we will furnish copies of the military service record if one is available. If we do not find a file that appears to pertain to the person in whom you are interested, we will refund your money.

The military service records rarely contain family information. Furthermore, the record of a man's military service in any one organization is wholly separate from the record of his service in any other organization. We are ordinarily unable to establish the identity or nonidentity of men of the same name who served in different organizations. If you know that a man served in more than one organization and you desire copies of his military service record, a separate form and one dollar fee should be submitted for the service record in each organization.

Additional copies of this form will be sent to you on request.

From Annette Hoffman to Geneva King
Oct. 14, 1965

"At Frankfort, we found quite a lot of resource material at the State Hist. Soc.....Across the back wall of their library is a file of family records, most of which have been sent to them by people researching. I didn't find any Wild's, but I found quite a complete file on a Bunch line. Now - none of the names I found sounded in the least familiar - no James or George - and the ancestor about whom most of it was written lived in Iowa, but had emigrated from Ky. It was quite a lont typed record (about 10 pages or so) so of course I couldn't copy. If you would write there they might make a copy of it for you".

From Geneva King: (1965)

"I wrote to the librarian but she wouldn't look it up. I had asked to have Xerox copies made of it. I intended to write again and maybe catch another librarian. The first one just sent me a list of researchers".

"Charles Bunch, born in Va...settled Butler Co., Ky. long before 1850... died there just outisde of Rochester 1859."

"Just heard from a rleative of Marion E. Bunch and she thought possibly this Bunch family came from Wise Co., Va."

"Marion E. Bunch has perhaps read historical articles of mine xxx in two county papers of Kentucky, Muhlenberg and Butler, and once I gave some Bunch data of the Butler County Charles Bunch".

"Bunch descendants in North Carolina (from Ky.) suggest I investigate Wythe Co., Va. for our Charles Bunch". (Note from G. King - above he has it Wise Co. I think Wythe Co. more likely).

From Edward Manley, Feb. 13, 1966:

..."I expect I gave it to Edith Bennett, the girl who completed the book by Lenora Lindley. Lenora died and Edith decided to finish the book by my how she has been criticized for putting in all the Bennett.. and other data that in no way has anything to do with how Lenora started the book..... Edith knew nothing of any of her kin until she met me about 8 years ago.... Edith's addition to the book had nothing to do with Slavery but some one may benefit from the data she supplied. She did not know she descended from the Bunch family until I told her....I have nothing new on Charles Bunch...."

Dear Mrs. King,

If you could see the stack of letters that I have to answer you certainly would overlook my negligence in writing. But just a few words about my new History. I do not knowwhether or not it would be of any great help to you but in glancing through it to day while it is raining so hard that I must stay indoors, I see at least three Bunches. Israel Bunch, a Rev. soldier, was granted 228 acres of land here in Cumberland C. in 1807, for his services, then a Joseph and a Drury Bunch took up land in 1799. Israel was granted and purchased several other tracts in the county, shown by deeds of 1823. He paid $900.00 for one tract that year. Israel reared a family here, how many I do not know. He married Betsy (Elizabeth)----. Many members of the Bunch family did not own real estate therefore their records must come through some other source.

You spoke of the Rays. I have a short story of them and the Kings also. Milton King married a Wiles and reared a noted family here. He was Co. Clerk 24 years. There being 60 families in my book traced from Europe to Kentucky one is apt to find in all this some point of interest. I failed to tell there was a James Bunch here in 1824. I would have to make further investigation to know much about him.

Mrs. King, you see I have 400 acres on Cumberland River to look after with very little or no help at all which keeps me almost run to death, so my time is limited for other things. I teach Sunday School on Sunday mornings so that just gives me the afternoons to write my good friends. Of the thousands of letters that find their way to my desk I think I can truthfully say I never have failed to answer.

A man came all the way from Wichita, Kansas Saturday to talk with me so I did not get to do much research work that day.

Best wishes to you and yours,

(Judge) J.W.Wells J. W. Wells

Mrs. Garland B. King,

Route 1,
Nowata, Oklahoma,

Dear Mrs. King:

I am just in receipt of your letter addressed to the C.C. at Burkesville, Ky. making enquiry of the "Historical Society" of Cumberland County. There is no such a society in this county but I get all letters of your nature because I have just completed a large "History of Cumberland County" containing 480 pages of all types of information relative to this and adjoining counties of Ky.

In the book is at least 60 pioneer families traced from Europe to Kentucky down to 1948. I spent six years on this work at an enormous cost in dollars. Likely you could find what you want or a part of it in my book. I am closing out at cost-$4.50 per copy postpaid. Let me know if you wish a copy. I realize what you said about genealogists is true, as I have just finished my third book on the BIG WELLS FAMILY. In this work I paid one man in Boston, Mass. $43.00 for five lines of history.

I do not charge for my extra work looking up records for those who have my book. Yet my time is limited.

I thank you for writing,

J. W. Wells

MARRIAGE RECORDS: G. King wrote the Clerk's office there in April, 1965, and ask for a list of early Bunch marriage records. Received this reply:

"In our records we have no listing before 1942 by this name".

- - - - - - - - - - - - - - - -

Mrs. Orlena Whistler lives in Nowata, Oklahoma, and works for the Phillips Petroleum Co., in Bartlesville. I called her several years ago, about 1962, as I thought surely with the name "Orlena" she would have some Bunch ancestry. If so, she did not know it. Her maiden name was Eversoll, and she was named "Orlena" after her father's aunt, whose maiden name was Orlena Duff. She thought they were from Perry County, Ky.
By coincidence, Perry County, Ky., was formed from part of Clay Co., where my Bunch family seem to have lived at one time. In the early census records of Clay Co, the names Eversoll and Duff appear. quite frequently. So!

Sir:

I would appreciate your checking your marriage index and list for me any marriage records by name of BUNCH, for about 1835 and prior.

I am particularly anxious to find a record of a GeorgeBunch to Elizabeth Wild, probably around 1830. I will want to get an official copy of this one if you have it.

Am enclosing $1.00 - for your time and trouble. Thank you.

Sincerely,

Seems to be very few Bunch inscriptions here. We went to 115 cemeteries -Church and family graveyards- and copied every inscription that we could read. There were over 250 pages when typed. It is possible there were Bunch family graveyards now destroyed as many have been. One Cox family graveyard had only 5 stones left standing and they were in a pass way to a watering hole for stock and will soon be gone. And another graveyard was so overgrown with weeds that we would never have known a stone was there if a descendant had not been with us and located the stones...a Cox cemetery also.

I do not suppose we have covered half of the family cemeteries and have not copied either graveyard in Bowling Green...many people have moved their families there from the family graveyards. Had hoped to finish up the project in the spring. My cousin and her friend, Mr. Carlisle Kirby, plan to publish. Mr. Kirby is a member of the Kentucky Historical Society and has long been interested in the preservation of the records from the family cemeteries. He is continuing to copy from the stones in isolated places and few in number. It is quite a task I found.

HON. SIMEON W. BUNCH

The fortunate possessor of 205 acres of good land as there is in the beautiful township of Sparta, our subject is one of the progressive farmers and representative citizens of Christian County, Missouri, where he has long made his home. 1He came originally from Simpson County, Ky., born in 1832, and his parents, William and Malinda (Roark) Bunch were probably natives of Tennessee where they were reared and married. About 1831 the parents moved to Simpson County, Ky., and there the father died about 1833 when in the prime of life. He was a farmer by occupation and a soldier during the Black Hawk War. He was the son of Calloway and Nancy Bunch who died in Warren Co., Ky., when our subject was but a boy. The latter belonged to the old Virginia family of Bunches. After the death of her husband, the mother of our subject married Joseph Cook of Ky., and in 1837 removed with him to Taney County, Mo., where Mr. Cook died a few years later. Afterward, Mrs. Cook made her home with her children and died at the home of her son in Miller Co., Mo., about 1883. She was a Free-Will Baptist in her religious views. When she and her husband first settled in Taney County their nearest neighbor was ten miles away and the country was a wilderness enhabited by Indians and wild animals. Our subject is the youngest of 3 sons and 2 daughters: William, died during the War and left a family; Nancy, the wife of J.B. Cook and died many years ago, leaving a family (Mr. Cook was murdered for his money during the War); James war a farmer and was in the East Missouri Militia during the War (he died in Miller Co., Mo., about 1887); Elizabeth, died in Kentucky when young. Simeon W. was reared on a farm in Taney County amid the rude surroundings of pioneer life and had limited educational advantages. He remained with his mother until grown and in 1855 was married to Miss Martha Jackson, a native of Green Co., Mo., who bore him 11 children as follows: John M., a merchant at Little Beaver, Douglas Co., Mo.; James, died in Ozark, leaving a family; William Berry, married a Miss Elizabeth Fitch, who died, leaving 4 children, 2 now living; Mary Elizabeth, wife of A.C.A. Sechler; Chafles W., a clerk at Ozark; Eliza M., married John W. Fitch and died, leaving 2 sons; Alex, married Miss Laura Adams and died, leaving his widow and an infant; Benjamin ~~W~~ F., now of Texas, married Miss Blanche Wood, daughter of J.B.Wood; Martha A., is the wife of Wesley Eledge, of Carroll Co., Mo.; Elle and Elbert, twins, at home. Mr. Bunch lived in Taney Co., Mo., until 1862, when he moved to Polk Co., Iowa, but remained there only about a year when he moved to Illinois. From there he moved to California, Mo., and in 1866 purchased a farm in Jasper Co., Mo., where he made his home until 1888, when, owing to the ill health of his family, he returned to his old home in Taney Co. There he resided until March 4, 1889, when he came to his present farm. He is engaged in stock-raising, and grain growing, and also raises considerable fruit and has one of the best farms in the county. Although born in the South, Mr. Bunch was a stanch Union man during the War, but never took an active part. He was never molested by either Army. Since his first presidential vote, which was cast for James Buchanan in 1856, he has affiliated with the Democratic party and he has held many of thecounty offices. In 1856 he was elected assessor of Taney Co., andheld that position for 2 years - when Taney Co. included a part of Christian, Stone and Douglas counties and embraced his present farm. In 1858 he was appointed to the same office, holding that position 2 years and so ably and well did he discharge his duties of the same, that he was reelected in 1860, serving until interfered with by the War. In 1870 he was elected to represent Taney Co. in the Legislature and served on the committee on county boundry, etc., and introduced several important measures, although none became

laws. Again his services were appreciated and he was reelected in 1872. In 1874 he was offered the nomination and was even solicited by Republicans, but refused to accept the nomination. In 1892 he was prevailed upon to accept the nomination for the same office in Christian County but positively refused. He was a prominent Mason, and now holds membership in Friend Lodge, No. 352, at Ozark. For many years this worthy citizen has been a deacon in the Missionary Baptist Church, and the entire family hold membership in the same. Mr. Bunch is very familiar with the pioneer days of Taney County, and contended with the hardships and privations incident to that early period. In those days people went to Booneville with ox teams to do their marketing and were 5 or 6 weeks making the trip. The nearest mill was north of Springfield, 54 miles away, and when attending church, the men carried their guns to protect themselves from wild animals.

Following is a copy of a letter to Vira Steere Thomas from William B. Douglas, The Song of the Surf, Sullivan's Island, South Carolina, dated Aug. 31, 1955:

> "Your letter of August 17th addressed to my sister, Mrs. Maude Douglass Barfield, was delayed in reaching her because we gave up our post office box in Charleston several years ago. We live on this tiny island in Charleston harbor facing Fort Sumter and get our mail now at the Sullivan's Island post office, instead of at the Charleston post office.
>
> I am sorry that neither my sister nor I have ever taken up father's genealogical work in which he was so interested and to which he devoted so much time and effort. I have spent most of my life abroad (I was in the Consular Service for nearly thirty years prior to my recent retirement) and plan to return to Spain next month for an indefinite period.
>
> Several boxes of father's genealogical records are stored in our house here, but they are in a hopelessly chaotic condition and neither my sister nor I have had the time - nor, I must confess, the inclination - to straighten them out. In the circumstances I am afraid that neither of us can be of much help to you in tracing the records of the families you mention in your letter. However, I have had some correspondence with Miss Grace Gaw, who has been doing considerable genealogical research work, and it is possible that she may be able to give you some of the information you want. In any case, she is a delightful correspondent and you will enjoy hearing from her, I'm sure. Her address is 102 South Third Avenue, Cleveland, Mississippi, and although she is at present away somewhere in Virginia, she wrote me that sheexpected to be back home again on September 12th.
>
> I am sorry that my sister and I cannot be of some help to you, but perhaps you will have better luck with Miss Gaw."

From Everett Rains, Clerk of the County Court
Williamsburg, Whitley Co., Ky., Feb. 1964

Geneva King wrote asking him to list the "Bunch" marriages in Whitley Co., prior to 1850. The following was the only one sent. He made no mention of earlier records - are they extant?

John W. Bunch to S. M. Adams 25 July 1865

The following note was added: "If you would like any information on the old record you could write Dr. C.A. Moss".

WHITLEY COUNTY, KENTUCKY

Feb. 13, 1964

Deputy, Office of the County Clerk
Whitley County
Williamsburg, Kentucky

Dear Deputy:

I would very much appreciate your listing for me any BUNCH marriages that occur in the early records of your county - say, around 1850 and prior. I am not sure who I am looking for - or the exact date.

Do you know of anyone in your area who has worked on the BUNCH family? If not - is there someone in your county who does genealogical research?

I am enclosing a small token of appreciation, and thanks for your help.

Sincerely,

Mrs Garland King

MRS. EDNA BATES
10512 ANGELL
NORWALK, CAL.

Dear Mrs King

I just started compiling genealogy of my family tree- I bought the Book Parker & Bunch on the trail West- my Bunch family came from Missouri, Hamilton Bunch married Mary Ann Darnal of (Tn. or Ky.) they married in Missouri Dec 13, 1849, They had two Childern that I know of Dennie Adam Bunch born Oct 14, 1852 in Wellsville Missouri & Henery Bunch born Oct 8, 1854 Dennie was my great father he married Eliza Jane Heath Apr 3, 1872 We have in our family a curree set inscribed to D.A. Bunch from the people of Mongomery City for growing the first flax. they had three childern Lilly born 1874 Lela born 1873

my grand father Raleigh born 1878 They moved to Calif about 1884-5 in the Darnal, Darnell book list

Hamilton Bunch died Ralls Co. Mo. about 1892. I am trying to locate Hamiltons father which could be the David Bunch who moved to Mongomery Co. Missouri for that where Hamilton & Mary Ann lived and had their children. What I would like to know if you can refer me to some one I can hire to check on this Bunch family.

I wish to thank you for the splendid work you did on the book it was amazing. I think my Burch family fits in there some where.

Sincerly

Edna Burch Bates

SAVED THEIR SCALPS

And right here we will mention a little incident of how the prospect that tomahawks and scalping knives might be doing their bloody work, was felt by at least one family. There is no question that the settlers felt a cold chill pass up and down their spinal columns at the first news, and just here is where it caught Mr. George Bunch. George had been attending mill and looking after a farm, and wasn't at all anxious to become a second Daniel Boone. ~~George had been at~~ The night following the news was an anxious one among the settlers, of which George Bunch, wife and several children were one or more. Quite a storm came up that night, and the wind broke off a limb of a tree near his cabin, and it broke with a sharp snap that sounded for all the world like the crack of a rifle. George heard it and with a bound was out of bed and on his feet, and with blankets wrapped around them the family were hurried out into the open prairie and hid in the grass. The rain came down and the grass seemed damp, but it was so much better than being scalped that George was happy. Just as he thought that he was safe, however, the baby, not used to the sudden change, set up a yell and nearly took the hair off of Bunch's head in its rise and his sudden terror. "For God's sake," said Bunch, "wife, stop that crying or we will all be scalped." The poor wife and mother was frightened and tried her best to stop the child, and as she could not, she spoke, "O George I can't!" George whispered back in awful desperation to "Choke it", but it stopped before the mother had to resort to extreme measures. It is hardly necessary to say that George and his family saved their scalps, but it leaked out about the choking business, and it was a good many years before George Bunch was done with being greeted, "Choke it, George".

From History of Livingston County, 1886, page 700.

August Election 1838. Sugar Creek township election was held at Philip Wilds. Judges were Geo. Bunch, etc.

At one time Sugar Creek township was in livingston county. If I am correct, about 1838, the township name was changed to Madison and the boundry changed, [illegible] it is now in Grundy county. Madison township is [illegible] is real close to Trenton, Mo.

Mrs. Garland King:
Nowata, Oklahoma

Dear Mrs. King:

Just came back from Hill and Leslie townships. Still trying to get lost like you did and find that cemetery. Stop and talked with Mrs. W. M. Hundley, a granddaughter of Hamilton Bunch. She could tell me very little. She had no idea where James or George could be interred. Said she had alway heard that George married an Indian girl from a tribe that was close to DeWitt, Carroll County. Mrs. Hundley also told me about the Marple cemetery, which is located in section 2, Leslie township. This township is just south of section 35 in Hill township. This cemetery is located back in a field about ½ mile from the Billy Hundley farm. I was told that the rattle snakes were plentiful there and did not attempt to go on. Mrs. Hundely could not recall any Bunches there. Mostly Marples and Woodens.

Mrs. Hundley also showed me a letter from a Sibyl Taylor, 1218 15th Pl., Des Moines, 14, Iowa. She had written to the Carrollton postoffice inquiring if there were any Bunches in this county. Letter was dated last August, I believe. I gave Mrs. Hundley your address and suggested she send it to Iowa.

Now I know where I got the name Elizabeth Wild. Some years ago I had a letter from Mrs. R. C. Plaster , General Delivery, Mt. Hood, Oregon. Here is some of the letter." I'm looking for the article on Palmyra Bunch. I believe I could find the tribal name of her mother, Elizabeth (Wild) Bunch. "Wild" is a self-given name. She was married to George Bunch. She is a cherokee Indian. She was buried in Grundy county Missouri or Ray county in Perry cemetery, Trenton, Mo. George Bunch was believed to be buried in Arkansas. I believe Sarah J. Bunch is one of Elizabeth's daughters."

I have made inquries in Ray county at Hardin and Richmond for Perry cemetery. The funeral directors did not know on one. Living in Richmond there is a Mrs. Roy Bunch, 326 West Main and a Wm. Bunch 416 S. Second Street. I called one of them on the Telephone and I think it was William. Anyway I had no satisfaction. Also living on Rural Route 3, Richmond is a Ralph Wild and a Duke Wild.

Marvin Whitney of Carrollton said he would try to find out some of the Whitney-Bunch history this week-end.

Will try to write sooner next time.

Sincerely,
Marie Clark

HISTORY OF HOWARD & CHARITON COUNTIES, MISSOURI. 1883
Pub. by National Historical Co., St. Louis
(Copied for Geneva King by Marie Clark of Carrollton, Mo)

Chariton County, Chapter X. Pp. 486-487.
Triplett, Bee Branch, Cunningham, Mendon, Missouri & Cockrell Townships.

"The early settlers of Bee Branch township were not numerous,and, in fact, the township did not settle up very fast until after the war of 1861. Among the early pioneers, who came to the township about the year 1820, were Silas Thomas and John A. Thomas, who emigrated from the State of New York, and located in section 35. Silas Thomas died before the late war. He has three sons and one daughter now living in the township.

Asa Prewitt, from Kentucky, settled on what is called the "Island", or "Lone Hill". He now resides at Roanoke, Howard County.

David Morgan opened a farm on section 3, township 55, range 17, and was also from Kentucky. He was a great hunter and died before the late war. The members of his family are either all dead or gone to other parts of the country.

Wm. Hurt located on section 36, and raised a large family, a portion of which is still living in the county. Alexander and Isaac Smith emigrated from Kentucky about the year 1831, and settled on section 2, where he and his wife still live, at an advanced age. Mr. Smith was a justice of the peace of the county for twenty-five years.

Judge Berry Owens, who is a native of Kentucky, where he was born in 1827, came to Howard county with his father, when a mere child, and after remaining in Howard until he was about grown, came to Chariton county, and settled in Bee Branch township in 1849, on section 3, township 55, range 17. His farm now embraces parts of section 3 and 4.

John Noble came from Indiana at a very early day and opened a farm on section 10, township 55, range 17. Randolph Clark was one of the pioneers and settled in the southern part of the township, where he erected a mill on the Grand Chariton river. This was a grist and saw mill and the first one in that region of the country. The settlers for twenty miles around came to this mill with their corn and wheat and continued to do so for many years. The old pioneer mill and its owner have long since passed away.

Thomas S. McCart, father-in-law of Judge Berry Owens, came in 1846. David and William McCollum, brothers, were among the early settlers, and located near Clark's mill. These men were great hunters. They and their families are either all dead or gone elsewhere.

Nathaniel Bunch, from Kentucky, was one of the first settlers in Bee Branch township. He is still living on the place originally settled by him, near Clark's mill above mentioned........"

Mrs. Garland B. King

Nowata, Oklahoma

Dear Mrs. King:

In reply to your letter of February 26, there is no record of a Roosevelt, Alred, Allred or Alread buried in this cemetery, however, the following two men are buried here;

Louis A. Bunch, U. S. Army serial No. 4508292, Pvt, WW I, 60th Company, 164 Depot Brigade, died November 28, 1948, buried in grave No. 2532, Section 3.

Thomas A. Bunch, Pvt., Co. E, 26th Indiana Infantry, died September 25, 1862, buried in grave No. 70, Section 2.

There is a Confederate Section in the Jefferson Barracks National Cemetery, Jefferson Barracks, Missouri, and it is possible that some of the dead from the battle of Pilot Knob were buried there. If not, it may be that the superintendent of that cemetery can give you some information as to where those dead are buried.

Very truly yours

"The first wave of settlers coming to Grundy County came at the time Dr. Thompson sent back his brother-in-law to Ray County to tell them about this area. (Dr. Thompson, first settler). Then a whole batch came from Ray County - among them our Wilds and Bunch's, Peerys, Evans, Gentrys, etc. They all settled together near Dr. Thompson at Edinburg, Mo., very near the present site of the George Peery cemetery. At that time, Grundy was a part of Livingston County. "

"During the Heatherly War (1836) Indian excitement in Grundy Co. was at fever p9tch. The night following the news was an anxious one among the settlers, of which George Bunch, his wife and several children, were no exception. His cabin stood near Edinburg, and that night a storm came up and the wind broke off a limb near his cabin with a sharp snap that sounded for all the world like the crack of a rifle. George heard it and with a bound was out of bed and on his feet. With blankets wrapped around them, the family hurried out into the open prairie to hide in the grass. All went well until the baby let loose a wail of protest against the stormy night that sent the hair of Bundh's head standing on end. "For God's sake, wife, stop that crying or we all will be scalped." "Oh, George, I can't", responded the mother. "Choke it!" said George in desperation, but it stopped before the mother had to resort to extreme measures. It is hardly necessary to say that the family saved their scalps, but for many years Bunch was greeted with "Choke it, George!"

"The rush of 1835 was a fair one for Madison township.... Then came Evans Peery and his son, Wm. N. Peery, Robert Perry, Thos. Carnes, Elder McCammon, Isaac J. Harvey, Wm. Metcalf, Philip Wild, George Bunch, John M. Graham and sons, Wm. Renfro and R.F. Keith, all came in 1835-36-37."

page 558. "SAVED THEIR SCALPS"

"And right here we will mention a little incident of how the prospect that tomahawks and scalping knives might be doing their bloody work, was felt by at least one family. There is no question that the settlers felt a cold chill pass up and down their spinal columns at the first news, and just here is where it caught Mr. George Bunch. George had been attending mill and looking after a farm, and wasn't at all anxious to become a second Daniel Boone. The night following the news was an anxious one among the settlers, of which GeorgeBunch, wife and several children were one or more. Quite a storm came up that night, and the wind broke off a limb of a tree near his cabin, and it broke with a sharp snap that sounded for all the world like the crack of a rifle. George heard it and with a bound was out of bed and on his feet, and with blankets wrapped around them the family ware hurried out into the open prairie and hid in the grass. The rain came down and the grass seemed damp, but it was so much better than being scalped that George was happy. Just as he thought that he was safe, however, the baby, not used to the sudden change, set up a yell and nearly took the hair off of Bunch's head in its rise and his sudden terror. "For God's Sake", said Bunch, "wife, stop that crying or we will all be scalped." The poor wife and mother was frightened and tried her best to stop the child, and as she could not, she spoke, "Oh, George I can't!". Beorge whispered back in awful desperation to "Choke it", but it stopped before the mother had to resort to extreme measures. It is hardly necessary to say that George and his family saved their scalps, but it leaked out about the choking business and it was a good many years before GeorgeBunch was done with being greeted, "Choke it, George".

The same year also saw the arrival of George Peery and sons, William and Archibald, and daughter, Louisa; Jewett Harris, George Bunch, Philip Wild, and Evans.........

From Annette Hoffman's unpublished "Children's History of Grundy County," after Bill Denslow's Centennial History of Grundy County - (with permission of the author)

"Tater Hill" a large hill near Edinburg was used by the Indians for a meeting-ground and circle for ceremonies. Many Indian arrowheads and other tools have been found near Tater Hill."
(Note: I've been to Tater Hill - it's just a stone's throw from the Evan's-Peery Cemetery.)

The first name for Edinburg was "Buck Snort." The settlers named it that after a deer was killed there after running through the settlement "snorting."

A combination of Denslow, Birdsall and Dean and Hoffman------
" The first school in Grundy County was built by (Philip) Wild, Peery, Scott, and Thompson, on land given by Wild in 1835. It was a log cabin, 14 feet square. A fireplace was in one end of the room. The roof was made of rough boards called "clap boards," and they were held in place by heavy poles. On windy days the boys would go out and put more poles on the roof so that the boards would not blow off. The school was near Edinburg, on what was known as the Wild farm."

Interview with Mr. and Mrs. Joe Linn, Princeton, Missouri. Mrs. Linn is a Casteel - direct descendent of Elizabeth Wild and James Casteel. Mrs. Linn also a descendent of Jacob Seaborn, Revolutionary War soldier. (On some legal papers name was spelled Seaborn and Seabourn). Jacob Seabourn had a daughter named Alley who married a Hockley Bunch. Family is searching for descendents of said Hockley Bunch. I gave her your name and address - hope that's ok.

(Copied by Geneva King)

Copied this census about 1960 - only accident that I copied "Baker", as I had noticed in the 1830 of Chariton Co., Mo that some Baker families were enumerated next to Stokeley Bunch. There may have been more "Baker" in Linn Co. 1840. I plan to recheck this census before too long. The following are just as they appeared on the census: (in a row)

Bunch, Stokeley	1 male 5-10 1 male 10-15 1 male 15-20 1 male 20-30 1 male 40-50	1 female 0-5 1 female 5-10 1 female 10-15 1 female 15-20 1 female 40-50

1959, MILTON BUNCH, lived at 228 East Clark St., Brookfield, Mo.

From Marie Clark, Carrollton, MO, Dec 5, 1959:

"Was in Brookfield on Sept 25 and talked to a Milton Bunch. He knew nothing of his ancestors. Also talked with Mrs. Lula Frances (Bunch) Smith, 521 Shelby St. Old George and James or the names of any of their descendants did not mean a thing to her. She could not recall her grandfathers name, but knew her fathers name was Cyrus Bunch, born in Missouri. Cyrus had a brother, William. Her grandfather was born in Ky and her grandmothers name was Nancy (?) Bunch. She gave me the name of an aunt, Mrs. Rose (Bunch) Sanders, LaPlata, and Rob Bunch (age about 85) also of LaPlata. Mrs. Smith has your name. There is a relative of hers, Carroll Bunch, 2135 Grace St., Hannibal, Mo., who attended a Bunch Reunion, I believe north of Brookfield. He could find no kinship at the reunion.

"COMPENDIUM OF HISTORY AND BIOGRAPHY OF LINN COUNTY, MISSOURI."
(Failed to copy date of publication, but later than 1910)
(Copied by Geneva King)

Pp. 450-451: WILLIAM M. BUNCH

Popular as a man and citizen, standing high in business circles and in the first rank of his profession as a pharmacist, William M. Bunch, one of the leading druggists of Brookfield, has commended himself to the esteem and good will of the people of the city and county of his home by his character, usefulness and extensive attainments, and also by his mastery of his art and conscientious care and skill in the practice of it. The accuracy and excellence of his prescription work is will known throughout the city and a large extent of the surrounding country, and has given him a very enviable reputation among the people.

Mr. Bunch is a native of Macon county, Missouri, and was born near Atlanta on October 17, 1867. He is a son of David and Binda (Cook) Bunch, both natives of Missouri and for a number of years residents of this county. The father is a farmer living north of Brookfield, where he cultivates a fine farm with skill and the intelligent application of modern methods of agriculture. The family located in Linn County in 1874 and have had their home in it from that time to the present, and been valued elements of its industrial and social life, and appreciated aids in all its moral and intellectual agencies.

There are eight children belonging to the household, one son and seven daughters, and six of the eight live in this county. Their paternal grandfather, James Bunch, was born and reared in Kentucky. He moved to Missouri and located in Macon county in about 1840, and some time afterward changed his residence to Linn County, where he died at a good old age. His forefathers were pioneers in Kentucky, and he became a resident of Missouri while much of the state was still undeveloped and but sparsely settled.

William M. Bunch reached his maturity in this county and obtained his education in its schools. He was engaged in farming until 1891, then came to Brookfield to clerk in the drug store of E. M. Easton and later performed the same service in that of Charles Green. While acting as clerk in these stores he studied the science of pharmacy and acquired a thorough knowledge of it with a view to going into the business on his own account, and this he did as soon as he was prepared for the undertaking.

He opened a store of his own in 1906, and since that time he has been closely attentive to its requirements and built up a considerable trade for it. He is careful in the selection and preservation of his supplies , buying only the best and purest drugs, uses great diligence in keeping them from deterioration, and applies the widest knowledge and utmost skill in compounding them in prescription work. By these means he hold and enlarges his patronage in the community and maintains his rank in the business and his elevated place in the confidence and regard of the people.

In matters outside of his business also he deserves and enjoys the approval and esteem of the public. He is a man of public spirit and enterprise in connection with all projects designed to push forward the progress and work out the development and improvement of his city and county, and his services in this respect have given him high standing as a man and citizen. There are many forceful factors in harness to make Brookfield and Linn county all that Nature designed they should be and the energy of man can make them, and he is one of the foremost.

Mr. Bunch was married in Brookfield on March 30, 1893, to Miss Cora E. Theobald, a daughter of Lewis and Sarah (Ditto) Theobald, prominent residents of Brookfield for many years. Two children have been born of the union and brightened the home circle. of which they are still members, Gladys I. and Sadie. They are ornaments to the social life of the city and popular wherever they are known, following modestly and gracefully in the footsteps of their parents in this respect.

The father has never taken an active part in partisan politics, but he has always been attentive to the claims of good citizenship and met all their requirements faithfully and intelligently. He has, however, shown a cordial interest in the fraternal life of the community as a member of the Woodmen of the World and the Modern Woodmen of America, and in religious affairs as a devoted and zealous member of the Baptist church, to which his wife and daughters also belong, and in which they are working members.

Kalamazoo. In 1858 he went to California, and remained there for six years. While there, April 12, 1861, he was married to Miss Mary A. Collier, of Sacramento. Returning to Michigan in 1864, he came to this State five years afterwards, as stated above. Mr. and Mrs. Brickell have had a family of three children: Edgar J., Gertrude S. and Fred L. They also have an adopted daughter, Cora V. Mr. and Mrs. Brickell and the three older children are members of the First Baptist Church of Macon, and he is a member of the A. F. and A. M. Mr. Brickell has been elected township treasurer for four terms in succession, and is one of the most highly-respected and prominent citizens of the county. His wife's family was originally from Boston, Mass.

JOHN M. BUNCH

(Farmer and Stock-raiser).

The Bunch family is one of the old and respected families of the county. Mr. Bunch's father, Col. John Bunch, was a native of Kentucky, born November 26, 1800, and in 1823 he was married to Miss Mary Oliver, who was born in the same State in 1805. They came to Missouri in 1825 and located in Howard county, but some years afterwards they removed to Randolph county, and a little later along to Macon county, settling in Independence township, where they made their permanent home. Col. Bunch became one of the well-to-do and highly respected citizens of the county, a successful farmer and widely and well known as a man of high character and intelligence. He died on his farm, in Independence township, May 15, 1883, having been a resident of the county for nearly half a century. His widow, the mother of our subject, still survives, and is on the old homestead, one of the venerable old mothers of the county. Both were members of the Old School Baptist Church from an early period of their lives. They had a family of eight sons and five daughters, of whom ten are living: Sarah, widow of James Morris; Lucy, the wife of John B. Epperson; Joseph, Lucinda, the wife of John W. Bunch; Eliza, the widow of Eld. A. Balmear; James, of Paris, Tex.; Nancy, the wife of James C. Miles, of Adair county; Thomas B., of Kirksville, and Benjamin F., of Sticklerville, Sullivan county, a practicing physician. John M. Bunch, the subject of this sketch was born in Randolph county, June 11, 1838. He was reared on a farm in Macon county, and, of course, became a farmer. On the 29th of January, 1863, he was married to Miss Elizabeth Ratliff. She survived her marriage 11 years, dying October 16, 1874, leaving two sons and two daughters: Mary H., Hardee, Annie L. and Elvin. Hardee died in infancy. March 16, 1875, Mr. Bunch was married to Mrs. Martha F., the widow of Benjamin W. Oliver and a daughter of William and Mary McGee, of this county. A sketch of William McGee, her father, appears in this volume. Mrs. Bunch was born December 3, 1835. By her former union there are three sons and two daughters: Edward E., Luther, Emma, Joseph and Bettie. Mr. and Mrs. B. have one daughter, born June 4, 187

Mr. Bunch settled on his present farm in 1875, and is engaged in raising grain and stock with good success. He is a man of industry and an enterprising disposition, a worthy representative of the old and respected family of which he is amember.

party and gives it the best service his circumstances allow in all its campaigns. But party spirit and party claims never obscure his vision as to the best interests of the people, and with him those interests always come first, partisan considerations and personal desires being at all times secondary and subordinate.

On October 10, 1888, Mr. Farmer united in marriage with Miss Alice Brockman, a native of this county and a daughter of John W. and Sarah E. (Hamilton) Brockman, prominent citizens of the county and reckoned among its most useful residents. Four children were born of this union and three of them are living, Clella, Bessie and Damon. All the members of the family enjoy in a marked degree the regard and good will of the people on all sides and in all classes, and they well deserve the high esteem in which they are held wherever they are known.

HENRY BUNCH.

Working industriously on his farm of eighty acres in Lyda township from day to day and year to year, steadily pushing forward his own interests without reference to the affairs of other people, yet never neglecting his duty as a citizen or withholding his support from all worthy undertakings for the benefit of the locality in which he lives, Henry Bunch is one of the most estimable citizens of Macon county, and in his way one of the most useful. He ought to have a deep and abiding interest in the welfare of Macon county, for it is the place of his birth and has been his home all his life so far. He ought also to feel an earnest and helpful desire for the comfort and advancement of its people, for he has been living and laboring among them ever since his childhood. His local patriotism meets these requirements and is manifest and ardent.

Mr. Bunch's life began in Independence township in 1864. He is a son of Perry L. and Martha (Cook) Bunch, natives of Kentucky, the former a son of Henry Bunch and the latter a daughter of Valentine Cook, and both belonging to families long resident in that state. The father came to Missouri in 1837 and located in Independence township of this county. At the time of his arrival in this part of the state it was still wild and unpeopled to a large extent, and all the hardships and exactions of frontier life had to be borne by its few scattered inhabitants. The elder Bunch accepted the situation, with all that it involved, and throughout all the early history of the region he faithfully performed his part as a pioneer and promoter of the best interests of the people. He was of a retiring disposition, and never

sought public office or mingled much in the management of public affairs. But he met every duty of citizenship with fidelity and never shirked a task that belonged to him, however disagreeable it might be. In politics he inclined to the Republican party, after it was formed, but he never became an active partisan.

He and his wife became the parents of six children, all of whom are living. They are: Henry; Ida, the wife of Charles Howell, of Atlanta; Dora, the wife of Elwin George, of Oklahoma; Rose, the wife of A. A. Saunders, of La Plata; Nevada, the wife of W. H. Boockman, and Alta. The father died on February 3, 1897. He was a farmer all his life, and in his day was a prosperous one. The mother was married in 1906 to J. H. Saunders and now lives in La Plata.

Their son, Henry, obtained his education in the schools near his home, and as conditions at that time were much disturbed, owing to the lingering agonies engendered by the Civil war, his schooling was necessarily very limited. On leaving school he began farming for himself as soon as he was able, and this has been his steady occupation ever since. He has eighty acres of good land, which is well improved and highly cultivated, and he also carries on a flourishing business in raising live-stock for the markets. In both lines of endeavor he has been very successful, making a competency for himself and helping to raise the productiveness and wealth of the township. Like his father, he is a Republican in politics, but not an active partisan, and has refused all overtures made to him to become a candidate for public office, either by election or appointment. He is an earnest and devout member of the Baptist church and an ardent worker in its interest, taking a leading part in all its benevolent and other worthy undertakings. Fraternally he is connected with the Modern Woodmen and the Maccabees, and he is active in his membership and devoted to the welfare of both organizations.

While Mr. Bunch has not helped in an official way to direct the destinies of the township or county, and has left to others the functions of government and the responsibilities attached to them, he has not failed in the full performance of his duty as an excellent citizen. He has given the people around him a fine example of industry and thrift, and has shown how essential they are to success, even in this land of plentiful opportunities and practically boundless resources. He has also lived an upright and useful life in social and general relations, and has won by his worth the generous and appreciative regard of all who know him. In 1897 he was united in marriage with Miss Frances

THE RESEARCHER, by Elsberry, 1971 or 1972
(From "Hist of Adair, Sullivan, Putnam & Schuyler Cos., Mo." 1888. p. 998

JAMES C. MILES, farmer & stock raiser, was born in Bedford Co., Va., July 1, 1827. His father, Armstead L. Miles, was born in 1796 and was also a native of Virginia, and his mother, Elizabeth A. Arthur, was born May 27, 1800, in the same state. The family moved to Ky. in 1829 locating in Pulaski Co., residing there for ten years. In 1839 they came to Missouri, and settled in Macon County. Armstead I. resided there until his death, which occurred at the residence of his son in 1879....Mr. Miles was united in marriage in Knox Co., Mo., Sept 2, 1852, to Miss Ruth El Shelton, a daughter of Medley Shelton, one of the early settlers of Knox Co. Mrs. Miles was born in Carroll County, Ky., but spent her early years in Knox Co. This wife died July 13, 1872. There were ten children of this marriage:

1. Mary, wife of James Lee of Macon Co.
2. Maxey B., wife of Samuel Clemison, of Adair Co.
3. Medley, of Adair Co.
4. Francis M.
5. Priscilla, wife of S.B. Barr
6. Ruth E., a young lady.

Four children were lost in infancy and early childhood.
January 15, 1872, he married Mary N. Bunch, of Macon Co., a daughter of John Bunch.....

14 Aug. 1967. ...recent information I received from a daughter of a brother of m great-grandfather, Elijah Bunch stated there were 4 boys and 1 girl that she knew of - Elijah, John, Bill, Pole & Lucinda....the family lived in Laplate Mo.....This lady, Lottie Bunch Geller, is 83 yrs old, living in Calif....she did not have any written records. Her father was Pole, Napoleon Bonapart, born 22 April 1856, the youngest child, his mother died when he was 3 years of age. Lottie's sister, Helen Bunch Wulz, lives in Lamont, Okla...have visited with her...doesn't seem to be able to add much. The more I study the information you sent and what I've got, it seems there is surely some connection with the James Bunch family in the 1850 Putnam Co., (Mo) census......Since writing to yoyu on my lines, the Cooks have turned up another one. Elijah Bunch was married to Emily Cook and she had 3 sisters and 1 brother. Now find the immediate family members had forgotten about another sister - Gillian Cook, born 26 Mar. 1840, who was married to William Williams.....Helen Bunch Wulz recently...remembered going to Mo. with her father when she was small and they visited some step-brothers of her father.

21 Oct. 1967. ....1860 census shows Elijah Bunch and Emily F. - my Great grandparents, and I've about decided that James A. Bunch was his father. I sent a letter to Mr. Carroll H. Bunch, Hannibal, Mo. and he replied stating his grandfather was James Bunch, his father Rice Bunch, fathers brother, Joel Bunch of Brookfield, Mo. His father had several hald-brothers, one being William Bunch who lived in LaPlata, was a Civil War soldier. Following the war returnedto LaPlata and married the daughter of his stepmother, Cosby Cook. Mr. Carroll Bunch's grandmother Bunch was first married to Valentine Cook. So now through your help in supplying Mr. Bunchs name to me I*ve been able to get good leads on 2 family lines.....now back to 1860 census - the James A. Bunch must surely be the father of Elijah, and the Anne was his 2nd wife....

18 Feb. 1969.....My James A. Bunch m. 2nd Ann (Williams) Cook was listed in 1860 census of Macon Co., Mo. This is the group so mixed up with his children by 1st marriage and her children by her 1st marriage (of which I'm directly descended from both groups and makes it so hard to sort out but thanks to your help with census records I am definately gaining on it. This is how it stands as of now?

BUNCH, James A.	46	Ky	Farmer
Anna (Williams)(Cook) ~~##~~	38	Ky	
Isa (Cook)	16	Mo	
Martha (Cook)	15	Mo

Alzada or Sadie (Cook)	9	Mo	
Walter (Cook)	8	Mo	
Julia V. (Cook)	6	Mo	
Napoleon (Bunch)	5	Mo	
Rice (Bunch)	1	Mo	

(Rice is a child of the 2nd marriage and his grandson is the Mr. Carroll Bunch of Hannibal, Mo.)

This was really a mixed up family - wonder how in the world they got along?
Also listed (1860) was my great-grandparents:

Bunch, Elijah 26 Ky Farmer
Emily F. 18 Mo "

This ones desxendants is what our Family Reunion consists of. She died about 96 yrs of age and I remember vaugely going to see her when I was about 10 yrs old.

Now according to my line in 1860 the five older Bunch Boys were already gone from home when JAMES, their father, married ANN. We have Elijah listed in 1860 - but William, David, James T. and Isaac N. I haven't located yet - yet in 1870 William is married to Cosby Ann Cook and Binda Cook is married to David (both girls are sisters of Emily) and family legend says one, at least, of the boys was in serivce and I think it is William.......

Do you by chance have listing of children Macon Co Mo ....of Henry Bunch and Ann. I'll bet my James (?and brother Henry,) are one of these families since family legend says relative married Boone.
2 sons of Henry Bunch (m. Nancy Epperson) married 2 Cook sisters.
3 sons of James Bunch (m. Nancy ____), married 3 Cook sisters.
The 2 sons and 3 sons were cousins (family information)
Therefore: Henry & James must have been brothers!

to Texas, to which State he removed a number of years ago.

Beard.—Edwin Beard and his wife, Mary Bell, of Ireland, came to America and settled in Augusta Co., Va. They had—William, John, David, Charles, and Samuel. The latter was a soldier in the revolutionary war, and was present at the surrender of Lord Cornwallis at Yorktown. He married Sarah Craig, of Staunton, Va., and settled first in Pennsylvania, from whence he removed to Kentucky in 1792, and to Missouri in 1827. His children were—John, William, David, Samuel, Absalom, James, Mary B., Sarah L., and Elizabeth. William was a soldier in the war of 1812, under Gen. Harrison. He married Elizabeth Finley, of Lincoln Co., Ky., and settled in Missouri in 1830. David married Mary DeJarnette, and settled in Missouri in 1827. Samuel married Rebecca Fisher, and settled in Ohio. Absalom died unmarried, in New Orleans. James was married first to Mary J. Logan, and second to Martha A. Briggs, and settled in Missouri. Mary married Gabriel Reeds, of Kentucky, and settled in Lincoln Co., Mo., in 1830. Sarah was married first to William C. Finley, and after his death she removed to Lincoln Co., Mo., where she married McKenly Hays. She died, and Hays married her sister Elizabeth.

Busby.—Matthew Busby, of Ireland, was a weaver by trade. He came to America and settled first in Delaware, from whence he removed to Bath Co., Ky., at an early date. He had seven sons, one of whom, James, married Nancy Lewis, of Delaware, by whom he had eleven children—Isaac, Rolley, John, James, Hiram, Lewis, Granville, Elizabeth, Lucretia, Amanda, and Malinda. Lewis and James settled in Missouri. The former married Eliza McClannahan, of Kentucky, and settled in Missouri in 1835.

Barnes.—James Barnes, of Virginia, settled in Kentucky at an early date. He had three sons—James, Jr., Noble, and John. The two latter settled in Illinois, where they lived and died. James, Jr., settled in Missouri. He married Sarah Callaway, daughter of Flanders Callaway, and they had twenty-two children, sixteen of whom lived to be grown, viz.: James, John, Larkin, William, Callaway F., Flanders C., Lilborn, Volney, Andrew, Rhoda, Jemima, Minerva, Margaret, Hulda, Cynthia, and Elizabeth. Flanders C. married Obedience Grigg, and lives in Montgomery county. He has in his possession a knee-buckle and silk stocking that belonged to his grandfather, Daniel Boone. In his youth Mr. Barnes was a great swimmer, and from being in the water so much he contracted inflammatory rheumatism, from which he suffers greatly in his old age.

Bunch.—David W. Bunch, of Kentucky, settled in Montgomery Co., Mo., in 1826. He married Elizabeth Wright, by whom he had fourteen children—Thompson H., John J., William F.,

Lucretia, Patsey A., Sterling L., Lewis W., Nancy D., Amanda J., Hamilton V., Eliza M., David W., Cordelia, and Elizabeth.

Berger.—Jacob Berger, of Germany, came to America and settled first in Pennsylvania, but subsequently removed and settled in Pittsylvania Co., Va. His sons were—William, Jacob, George, and John; and he had several daughters whose names we could not obtain. William was killed in the war of 1812, having volunteered to serve in place of his brother George, who had been drafted, and who, being a married man, could not leave his family. George married Mary Boatright, of Virginia, by whom he had—Thomas A., Jacob, Louisa J., Lucy A., William J., Appalana F., Polly, David, Elizabeth, and Marialmnel. Jacob and Polly died young, in Virginia. The rest of the children came with their parents to Missouri in 1838, and settled in Montgomery county. Thomas married Ellen Stone, of Virginia. Louisa married Pleasant Davis, of Missouri. Lucy married Buckner Jefferson, of Missouri. Appalana married Erasmus McGinnis, of Missouri. Elizabeth married William Anderson.

Bowles.—Gideon Bowles and wife, of Dublin, Ireland, were members of the St. James Colony that settled in Goochland Co., Va. Anderson Bowles, their son, married Jane Thomas, and settled in Cumberland Co., Va. Their children were—Caleb, Sarah, James, Gideon, Ann, Anderson, Jr., Virginia, Elizabeth, Augusta, and David. Ann and Gideon died in Virginia. The rest of the children came with their parents to Madison Co., Ky., in 1806, and in 1811 they all settled in St. Louis Co., Mo., where Mr. Bowles died the following year. His widow lived until 1834. Caleb, the eldest son, was Judge of the County Court of St. Louis county several terms. He was married twice, and finally settled in Saline county, where he died. Sarah married Stephen Maddox, of Virginia, who settled in St. Louis county. They had fifteen children. James was a ranger in Captain Musick's company, and was killed by the Indians at Cap-au-Gris in 1814, in his 20th year. Anderson settled in Mississippi, where he died. Virginia married Richard Ripley, of St. Louis county, and died soon after. Elizabeth married Richard Sapington, and lives in Illinois, a widow. Augusta married Jacilla Wells, who removed to Texas and died there. David, the youngest son living, was married first to Julia Mackay, a daughter of Capt. James Mackay, of St. Louis, by whom he had—James A., Jane, Jesse, Nathan Z., Mary E., George R., John B., Julia V., Gustave, Jefferson R., and David J. Mr. Bowles settled in Montgomery county at an early date, and still resides there. He is a tanner by trade, but has pursued the avocation of a farmer the greater portion of his life, and has prospered in more than an ordinary degree. After the death of his first wife he was married, in his old age, to the widow Giles, of Lincoln county, and in that con-

MISSOURI RESOURCES & DEVELOPMENT COMMISSION
JEFFERSON BUILDING
Jefferson City, Mo.

July 21, 1960

Bunch & Sons Stave Co., Albany, Mo. Dear Mr. Bunch:
I am employed by the above named department of Missouri Resources znd have come upon your name in our files. I am striving to locate the whereabouts of some of our relation that have been lost from our contact for a number of years. My mother's name was Laura Bunch, daughter of Frank Bunch, who had a brother by the name of George Bunch. George left this part of the country and (the best mother remembers) went to some other state. In later years he died, and the whereabouts of his family has remained unknown. George had a son by the name ofl Frank, Dave (or Dale) and a daughter by the name of Pearl when he left here. Mother says that the son by the name of Frank would be about her age now, which is 74. Mother would like to know if you w ould by any chance be some of our relation, if it not, if you would know the whereabouts of some of the above named. We would indeed appreciate an answer to this letter and wish to thank you in advance for your reply. Sincerely: Myrtle Bonnot. Address to my mother: L/aura M. Bonnot, Bonnots Mill, Missouri. (Original letter sent to Claudia Baker, Linn, Mo., Nov 1982)

Bonnots Mill] Mo. Sept 8, 1960.d Dear Mrs King:
I received your letter of Aug 17 was awful glad to hear from you. I have been waiting until I found out a few things before I wrote you. I have been waiting to go to Linn, Mo, that is our county seat of Osage Co. There is an old lawer there that was a comrade and friend of grandpa, Samuel Bunch, in the Civil War, who had a brother by the name of Nathaniel Bunch. I remember of hearing my father telk of Uncle Nat Bunch, but I never seen him and I don8t know where he lived. The George Bunch that I knew, papa's brother, married a Simpson, I am pretty sure. There is a lot of Bunches. I have a brother in St. Louis, J.H. Bunch, a retired railroad man. I think there is not doubt that we are some distant relative~~s~~. I would like very much to meet you folks and have a long talk. Seems we don't have~~a~~a lot of spare time. My daughter worksd 5 days a week in the State Office Building in Jefferson City, Mo. and here of late we have attended a wedding almost every Sat. and by the time we do a little shopping we are kept pretty busy. We have our farm up for sale and if it should develop we really would be tied up. I think we would save out a lot and build a small modern home. We have a large 2 story house and us women are not much of farmers, especially me at my age. I will keep trying to find out about this and thanks so much for getting me the information you have. When the weather gets cooler we may take the trip. It's so hot now I can't hardly stand it, albout 100 every day. I donit think it would take long to drive it. My daughter Myrtle has a new 59 Chevrolet and does she love to drive. Well I guess thats enough. Hope to meet you all some day. Thanks again for everything. Respectfully: Laura M. Bonnot, Bonnots Mill, Mo. dPS Excuse writing and spelling as I can't see very good. (Original letter sent to Claudia Baker, Nov 82)

Bonnots Mill, Mo. July 22, 1961
Dear Mrs King: In answer to your letter of July 12, hope ;yoou will pardon me for not answering sooner. I ~~wa~~ am in hot water at present. My daughter Myrtle trip ed herself on a percolator cord at the office last week and fell on a tile floor and injured her back and is now in the hospital at Jefferson City and here I set alone wondering when she will be home. Well, here we go back to the Bunch generation. I am a daughter of Frank Bunch; he was a son of Samuel Bunch. Samuel had another son, George (brother to Dad) that moved away when I was quite young. I think he moved to Arkansaw. I was so in hope I could locate some of his children at the reunion. I know he is dead, but shurely he has some of the children living. His oldest son was named Frank, and next was David, and daughter Pearl, and some smaller children that I don't remember their names, all of which would be my first cousins. I also talked a telephone conversation to a second cousin of mine at Linn, Mo, which I intend to visit and see what I can find out. She said her fathers name was Bill Bunch, whom is now dead, and she said that his fathers name was George Bunch. I suppose this may be the George Bunch you are looking for. And my frandfather Samuel Bunch had a brother by the name of Nathaniel Bunch. I am going to look up some records at the court house as soon as I can and find out more about Nathaniel. All I remember hear my father speaking of Uncle Nat. I am of the opinoon that Samø and Nat and George were brothers. There are Bunches in St. Louis besides my brother, John Henry Bunch/ and his boys. But I don't know if they are any relation or not. My daughter Myrtle has become interested in this also and we are going to try and run down some more Bunches and you will probably haar from me in the future. It is just pouring down rain every day. I would like to visit in OK I have relatives in Temple, OK from mother's side. I certainly enjoyed the visit at Springdale. I hope we can all meet again. So good night. Respectfully, Laura M. Bonnot, Bonnots Mill, Mo. PS Mondayd 24. Myrtle is still in the hospital. Dr. says no broken bones but now she is having what he called muscular spasams. Hope you can read this mess. I wanted to write it over but it is almost mail time so here goes. By.

Bonnots Mill, Mo. Sept 11, 1961. Mrs Garland B. King, Rt.1, Nowata, OK
Dear Mrs King: With the greatest of pleasure I will try and answer your lettterof sometime ago. To try and give you the information you asked about the Bunch family, I went to Linn, Mo, the county seat of Osage Co and looked up some records with an old friend whose father and my grandfather were comrades in the war. My grandfather had 2 sons, my father, U.R. Franklin Bunch, but went by the name of Frank Bunch, and another son, George Bunch, 2 daughters that I know of, Lurinda Bunch, and another daughter that died about the age of ## 16.
Samuel Bunch, I think married a Roberson. She died early in life. I will get this record as soon as I can. He died about 1903. It was my Dad's brother, Uncle George's children, that I expected to find in Springdale, Ark. I cannot locate them anywhere. We planned on attending the Bunch reunion at Eldon, but due to a severe back injury of my dau, Myrtle, we were unable to attend. Uncle George had a large family. I just can remember his oldest son, Frank, named after my dad, and another son named Dave and a girl named Pearl, some younger children I didn't know their names. Uncle George W. Bunch married Mary Francis Simpson, Feb. 17, 1881. He must have died about 1915, for I was in bed when Myrtle was born and the folks told me they had a letter that Uncle George had died, but I don't know just where he was at that time. When he left Osage Co I heard they went to Ark. Grandfather Bunch, Samuel Bunch, had

HAD a brother by the name of Nathaniel, married to Nancy Eveline Heelen the 10 of June 1847. Nathaniel Bunch had 3 sons, William, John, Dave, two daus, Martha & Mary. I never knew him only heard my father speak of Uncle Nat, and an older George Bunch~~d~~, a cousin of my father, whom I think my Uncle George was named after. This George Bunch married Jane Bishop the 30 July 1852. Now this one could be the one you are looking for. His children were Joe, James & William. Samuel, George, Nathaniel, had another brother by the name of Elijah Bunch. I remember hearing father speakdof him. The records show he married Sara Henderson the 31 Dec 1881.

Dave Bunch, son of Nathenial, married to Lydia Ann Agge, 25 of February 1877. Another Bunch on record, William Bunch, a cousin of my father Frank Bunch, married Sarah Allen theb19 of Oct 1879. His children was: Georgia, Hattie, Dora, Jim and Joe.

I am the oldest child in our family, John of St. Louis wass 2nd, Arthur who is dead, was third, and my sister, Cora, who was at Springdale with us is the youngest.

Yesterday, Sept 10, we motored to Eldon, Mo and talked with some of the Bunches up there. We visited in the home of Ellis Bunch, and in the home of 2 elderly sisters of his. We all feel that there is some tie of relationship as the same names keep appearing in their family tree as does in ours, but just how we can not determine. Beyond the rememberance of grandfather and great grandfather everyone seems to be lost.

I have been pretty busy this summer. Myrtle hurt with her back and las last week I got in the weeds and picked up an allergy and had to go to the doctor for that. Let me hear from you again, and at any time I can give you more information, let me know. I hope we can meet again some day.

I plan to go to St. Louis soon to see my eye doctor. Maybe I can find more Bunches there. They say quite a few names are in the phone book. Will send you a list of them, if you wish. Let me know.
For now, goobye. Sincerely, Laura M. Bonnott.

BONNOTS MILL, Mo. Feb 15, 1963. Mrs. Garland G. King:

I guess you will be surprised to hear from me. While looking through our county paper in this column I am enclosing you, I find a Geo Bunch when was married 111 years in 1963. You were looking for a George Bunch, so was I. I wonder if this could be the one you want. It is not my Uncle for my uncle married a Simpson. But now he could have been named ~~for the~~ after an Uncle George that married the Jane Bishop that I have here on this clipping. 1852 to 1963 would make the 111 years since they married. That makes me think it may be the one you are looking for. And find enclosed another little clipping that I cut out of the Jefferson City paper about a month before Xmas and I wrote toe the address you see, Lamp Mountain Road, and I gave my address, but have never heard from them. Surely they got it.

Now do you have any Bunches in your records from Ore. I just wonder it it could be some of Uncle George's children maybe grandchildren. Well I hope we can meet again at the reunion next summer. Do you know where and when they will have it. My daughter had a little accident a couple weeks ago, but her forefinger on her left hand and had to have 4 or 5 st stitches taken in it, but she is getting along good. She couldn't type for a while but she went back to work this week. She is kept pretty busy as a secretary at Missouri Resources & Development. We have been having some cold weather. I am so tired of being housed in. I love to romp and work outside. But I am getting old, 76 now, and lost one eye, but still do a good deal of work. Hope this finds you well, and hope to hear from you. Respect: Laura M. Bonnot. (Orig letter to Claudia Baker, Nov 1982)

JOHN M. BUNCH

The Bunch family is one of the old and respected families of the county. Mr. Bunch's father, Col. John Bunch, was a native of Kentucky, born November 26, 1800, and in 1823 he was married to Miss Mary Oliver, who was born in the same state in 1805. They came to Missouri in 1825 and located in Howard County, but some years afterwards they removed to Randolph County, and a little later along to Macon County, became one of the well-to-do and highly respected citizens of the county, a successful farmer and widely and well known as a man of high character and intelligence. He died on his farm, in Independence Township, May 15, 1883, having been a resident of the county for nearly half a century. His widow, the mother of our subject, still survives, and is still on the old homestead, one of the venerable old mothers of the county. Both were members of the Old School Baptist Church from an early period of their lives. They had a family of eight sons and five daughters, of whom ten are living: Sarah, widow of James Morris; Lucy, the wife of John B. Epperson; Joseph, Lucinda, the wife of John W. Bunch, Eliza, the widow of Eld. A. Balmear; James, of Paris, Texas; Nancy, the wife of James C. Miles of Adair County; Thomas B. of Kirksville, and Benjamin F. of Sticklerville, Sullivan County, a practicing physician. John M. Bunch, the subject of this sketch, was born in Randolph County, June 11, 1838. He was reared on a farm in Macon County, and, of course, became a farmer. On the 29th of Jan., 1863, he was married to Miss Elizabeth Ratliff. She survived her marriage 11 years, dying October 16, 1874, leaving two sons and two daughters: Mary H., Hardee, Annie L., and Elvin. Hardee died in infancy. March 16, 1875, Mr. Bunch was married to Mrs. Martha F., the widow of Benjamin W. Oliver and a daughter of William and Mary McGee of this county. A sketch of William McGee, her father, appears in this volume. Mrs. Bunch was born December 3, 1835. By her former union there are three sons and two daughters: Edward E., Luther, Emma, Joseph and Bettie. Mr. and Mrs. Bunch have one daughter, born June 4, 1877. Mr. Bunch settled on his present farm in 1875, and is engaged in raising grain and stock with good success. He is a man of industry and an enterprising disposition, a worthy representative of the old and respected family of which he is a member.

History of Adair, Sullivan, Putnam & Schuyler, Counties, Mo. 1888

Masonic fraternity, a Republican, and cast his first presidential vote for Lincoln, in 1860.

James R. Buford was born in Missouri, in 1853, and is now a well-to-do young farmer of Chariton Township, and owns 160 acres of good land, well cultivated and improved. In 1880 he married Eliza Lasley, a native of Schuyler County, and to that union two children have been born: Carrie and Marvin. In politics he is a Democrat, as are his brothers and father. His parents have been residents of Schuyler County forty-three years. William, the father, was born in Bedford County, Va., in 1822, and when young worked in the woolen factory of his father. When eighteen years of age he came to Schuyler County, Mo., and built a woolen mill for John Jones, which he at first managed, and afterward purchased. It was located one mile east of Tippecanoe, and was the first woolen mill in the county. Mr. Buford also introduced the first reaper, mower, steam engine and sewing and knitting machines used in that region. He began life in Missouri with $6, which was all that remained of the money he received from a sale of a horse he rode from Virginia to St. Louis. He was an enterprising and industrious man, however, and at the time of the late war owned 4,500 acres of land, which the ravages of war swept from him. In 1849 he went to California, and from there to Nevada City, where he engaged in business, and built the first store of the town. He also successfully engaged in mining. In 1851 he returned home, and for several years sold goods in Lancaster and Glenwood. In 1843 he married Mary A. Jones, a daughter of John Jones, and born in Virginia, in 1828, and to them the following children were born: Henry, Mildred, Liza, James, Jane, Maryette, Don, William and Nellie. In 1861 Mr. Buford raised a regiment of 1,100 men, of whom he was elected colonel. While home visiting his family at one time he was taken prisoner, but was finally released upon giving a $22,000 bond to not engage further in the Rebellion. He also served some time as a recruiting officer. In 1867 he built the large woolen mill at Glenwood, and managed it for ten years. He is a member of the Masonic fraternity of the Royal Arch degree, and one of the oldest and most respected citizens of the county.

Charles W. Bunch, county clerk, is a native of Davis County, Iowa, and was born in 1851. His parents, Dr. David and Aditha (Walker) Bunch, are natives of Indiana. During his youth the father engaged in milling in Iowa, and removed to Davis County in 1850. During the war he began to study medicine, and attended the medical college at Keokuk, Iowa. In 1865 he came to Lancaster, Mo., and practiced until 1869, when he

returned to Davis County, Iowa, where he has since resided, but on account of poor health has not been actively engaged at his profession. The mother was born in Indiana and is also living. Our subject is the fourth of twelve children and received his early education at the common schools. In the fall of 1865 he came to Schuyler County and worked on a farm, and afterward worked at the carpenter trade. He then clerked in a store at Lancaster for six or seven years, and in 1877 began business on his own responsibility, but in 1878 was elected county treasurer of Schuyler County, and re-elected in 1880. During 1883 and 1884 he farmed, and in 1885 went into the drug and grocery business. In the fall of 1886 he was elected clerk of the county court by a majority of ninety votes. September 30, 1887, he married Miss Dora N. Brown, daughter of Jason W. and Eliza (DeCorse) Brown, whose respective births occurred in 1826, in Berkshire County, Mass., and 1835, at Wilmington, Del. Mrs. Bunch was born in Shelby County, Ill., in 1854, and has borne our subject one son, Roy B. In politics Mr. Bunch is a Republican, and cast his first presidential vote for U. S. Grant. His wife is a worthy member of the Christian Church.

Charles Burkland, contractor and farmer, was born in Sweden June 14, 1851, and is a son of Andrew and Helen Burkland. The father was born in 1829 and died in 1873, and was a farmer by occupation. His wife was born in 1827 and is now a resident of her native country. She is the mother of six children, of whom our subject is the eldest. He was educated in Sweden and attended school from the age of seven to fifteen. When twenty years old he left the parental roof and emigrated to the United States, locating in Keokuk, Iowa. In January of the following year he began working on the Missouri, Iowa & Nebraska Railroad, laying track. In 1873 he became section foreman, and remained as such for ten years, locating in Lancaster in 1878. November 12, 1874, Mr. Burkland married Miss Christina Holstrand, who was born in Sweden in 1853, and came to America in 1873. By her he had three children, Fred William, Oscar, Leo Raymond and Charles Herbert. In 1879 Mr. Burkland bought 750 acres of land in Liberty Township, and since 1883 has spent his time in looking after his real estate and dealing in railroad ties, lumber and wood for the Keokuk and Western Railroad. He is a self-made man and his property is the result of his ability and industry. For the past two years he has been president of the Scandinavian Coal Company, and a director of the Schuyler Company Bank. In politics he is a Democrat, and cast his first presidential vote for Hancock in 1880, and two years later was elected a member of the town

Micajer "Cager" Bunch

1733-1804 (?)

By

Jack Goins

There were several people named Micajer Bunch. The Micager I follow in this research is also listed on several records with the nickname "Cage" He is associated with my seventh generation grandfather William "The Tory" Riddle. I don't know if this association was from their neighborhood 1750's in the community of the Flat River, Orange County, NC, or a possible relationship by blood, or marriage.

The first record I have found on Micager was this 1749 tax list of Lunenburg County, Virginia (from Sunlight on the Southside) William Howard's list; Gedion Bunch and tithe Cage Bunch. Note; Obviously, Cage is the son of Gedion Bunch. I am convinced this is the same Micajer "Caiger" Bunch who has such a close association with the Riddles, Collins and Gibsons. Who later moved 1790's into Hawkins County, Tennessee.

Gedion Bunch moves into Granville County, NC (Orange County formed from Granville County in 1753) Granville Tax List 1750.*A tithe is a male 16, or over) William Bolling 1 tithe; James Bowling 1 tithe; *Gideon Bunch 2 tithes.; Thomas Collins Sr. 1 tithe; Samuel Collins 1 tithe; John Collins 1 tithe; Thomas Gibson with tithes Charles Gibson and George Gibson.

Gedion Bunch born about 1715 was son of John Bunch born about 1695 because he sold the land his father John Bunch inherited. John was the son of Paul Bunch who was born about 1670. Paul Bunch received a land patent for 265 acres on the south side of the Roanoke River adjoining Gideon Gibson on Jan 1, 1725. His Will was probated March 10, 1727 in Chowan County, NC leaving his land and 8 slaves to son John Bunch, and to Fortune Holdbee and her daughters Keziah and Jemima. Elizabeth Bunch and another daughter Russell received one shilling each.

John Bunch SR born ca 1630 came to Lancaster County, Virginia in 1651 as an indentured servant. He later moved to New Kent County, Virginia and owned land on the Pamunkey River by 1670's John Bunch Sr had at least two sons:
John Bunch Jr. (had large family in Louisa County, Virginia.
Paul Bunch listed above (died 1726 in Chowan County, NC
There is a legend among descendants of the above named Bunches that they are related to Pocahontas, the Pohattan Indian princes who married John Rolf (Park Bunch families by Alice Crandall Park and Mrs. Garland King, Tennessee State library.)

Micajer Bunch son of Gedion is listed in 1754 Orange County, NC tax list of Gedion Macon in the household of John Stoud who paid a tax for Micager Bunch and Lydia Bunch possibly his daughter and son in-law?

The 1755 Orange County, North Carolina, tax list several families who either they are their forefather once lived on the Pamunkey River in Louisa County, Virginia and who eventually migrated to Hawkins County, TN and became know as the Melungeons.
Gidean Bunch 1 tithe (mulatto)

Micajer Bunch 1 tithe (mulatto)
Moses Ridley (Riddle) 1 tithe and wife Mary (mulattoes)
Thomas Collins 3 tithes (mulatto)
Samuel Collins 3 tithes (mulattoes)
John Collins 1 tithe (mulatto)
Thomas Gibson 3 tithes (mulatto)
Charles Gibson 1 tithe (mulatto)
George Gibson 1 tithe (mulatto)

Most of these families moved from the flat River to the New River area of Virginia and North Carolina. The follow tax lists are from Kegley's early adventures on the Western Waters) 1771 New River area Botetourt County, Virginia
Charles Collins 1 tithe
John Collins 4 tithes
Samuel Collins two tithes
Charles Sexton 1 tithe
McKegar Bunch 1 tithe
William Sexton 1 tithe

Some of these including Micager Bunch were living on Indian Lands.
Fincastle County was formed from Botetourt in 1772; this 1773 tax list shows the ones living on Indian land. Which means they had crossed the survey line agreed upon in the treaty of Lochaber as the western boundary.
David Collins (Indian Lands)
Charles Collins (Indian Lands)
Samuel Collins (Indian Lands)
George Collins (Indian lands)
*Micajer Bunch (Indian lands)
John Collins SR
John Collins Jr.
Ambrose Collins
Elisha Collins
Lewis Collins

Micajer Bunch was in the battle at Point Plesant against the Shawnee Indians (1774 Lord Dunsmore War, Montgomery County Soldiers by Kegley)
William Riddle this authors seventh generation grandfather also fought in this war and their commanding officer Captain William Herbert plaintiff, Cajer Bunch and Wm Ridley defendants. 2- William Scott and Micajer Bunch, debt (Fincastle County, Virginia Court Record)

Wilkes County NC land records Micajer Bunch land on Elk Creek and it was at the mouth of Elk Creek where Capt William Riddle camped when he took Col. Benjamin Cleveland hostage. Was taking him to the British Command post in SC for ransom money from the British to. William Riddle camp was near the mouth of Elk Creek on Riddle Knob and a knob nearby was called Bunches Knob. William Riddle was hung in the spring of 1781 at Wilkesboro NC. His Widow and children migrated to Hawkins County and some of his children eventually migrated from Hawkins County, Tennessee, Lee County, Virginia. Then to Cumberland County, KY. And it's possible they left the New River area at the same time.

The exact date of Micajer Bunch land purchase is not found, but on a grant March 3, 1792, to John Rice 140 acres on the waters of Joseph Wallings Mill Creek a branch of the Clinch River and beginning at a popular and Dogwood being a corner of Micajer Bunch claim then running along Bunch line. This land was located near Present day Kyles Ford, Hancock County, TN and very new the border of Virginia. This land location explains why Cager (Micajer) Bunch signed the 1792 petition to form Lee County, Virginia. At this time Virginia claimed most of the land on the North side Of Clinch River. (Tax list form Virginia State Library. At Richmond)
Lee County, Virginia tax list. 17th March 1795.
Drury Bunch (1 horse)
Micajah Bunch (1 horse)
Torel Bunch (1 horse)
Clem Bunch (no horses)

The 1796 tax list of Lee County, VA also included the same list but adds Isyreal Bunch,

1797 Lee County, VA tax list Micajer Bunch, Isreal Bunch, Solomon Bunch, Claiborn Bunch, Jesee Bowlin, Zachariah Goins, he was son of John and Elizabeth Goins, of Henry County, Virginia

Micajer Cage Bunch is listed by Some historians as one of the first Melungeons in this Newman Ridge, Blackwater area. Micajer along with several other families migrated to Cumberland County, Kentucky in about 1798.
1799- (Cumberland County, KY tax list courtesy Mary Hill, Family History Center, Salt Lake City, Utah.) Jessee Robert, Cage Bunch, Elisha Blevins, Joseph Bunch, Drury Bunch, James Roberts? Stephen Robinson, Moses Roberts, George Rogers, John Rogers all of these believed from the Newman Ridge, Blackwater area of Lee County, Virginia and Hawkins County, Tennessee. Micajer Bunch is missing from the 1804 Cumberland County, Kentucky tax list. He probably died between the 1793 and 1804 tax collections.
What is weird is that on the 1805 Tax list of Cumberland County, Kentucky most of these on the 1799 list are gone. James and Joseph Riddle sons of Captain William and happy Rogers Riddle also settled in Cumberland County, Kentucky around 1804-5.

Lewis Bunch, County Clerk of Sullivan County. His home is in Harris, Mo. This mans wife gave us the names of the following people.

Mrs. Howard Platts, Shelbina, Mo. This lady has been running the Bunch line for several years.

Mrs. Guy McCollum, Newtown, Mo. This one is interested.

Wilburn Bunch, Milan, Mo. They don't know if they are connected with the other Bunch line or not.

From Anna Lee Going, Rt.1, Box 38, Jefferson, Oregon, 97352, Apr 17, 1968
To Mary Linn, Grundy Co., Mo.

I am wondering if you and Joe might have time to do a little research on Aley (Seabourn) Bunch. From census records, Aley had to pass away in Sullivan Co, Mo., between 1850 and 1860, near Owosco, Mo. This town does not show on Missouri Maps. But it is in an old Rand McNally road atlas that we have. It is reached by probably a dirt road from Milan in the SW direction, & then turns east, that would lead into Kirksville. No doubt there would be deeds on file at the courthouse at Milan, and possibly a will or settlement if Stokley Bunch died intestate. I do not know whether there are cemmetery records available to you for Sullivan Co. But I am sure from the deed to the land they owned, you could locate this land, amd no doubt she is buried in a cemetery in that area. Isn't it something to learn that Aley Seabourn Bunch had lived so close to us there in Mercer Co., & we have just now found it out?

Letter from Ann (Wild) Bunch, Mrs. Colonel Willis Bunch, Lancaster, Missouri, to Annette Hoffman, Box 528, Trenton, Mo. (They are 1st cousins). March 30, 1966.

Dear Annie: Poppa sent me your letter - with strict instructions not to lose it - because he knew I would be fascinated. I have the inclination for genealogy. Unfortunately neither the time nor money. However I am very, very interested and would love to be able to devote some study to our family. I have intended to write ever since the night you called - which may give you an indication of my record (?) as a letter writer and general correspondent.

First, since Mother wasn't sure she had them right, here are our birthdays.

Colone Willis Bunch	Dec. 3, 1933	
Ann Wild Bunch	Apr. 1, 1935	Married Dec 25 1955
Rebecca Ann Bunch	Dec. 28, 1956

Jennifer Lynn Bunch	Feb. 16, 1962	
Laura Lee Bunch	Oct. 15, 1964	

You asked about the Bunch family. Colonel's sister* is trying to trace them back. ......(rest of the letter is about the Wild side of the family).

Dear Mrs. King,

Although it has been a long time since you wrote me concerning the Bunch family, I am still interested and I will try to take some time now and give you some dates and names that you may not have. I will give you first my own direct line back to Stokeley Bunch b 1796 d. 1868.

I am Karen Ann Bunch Platz, b. Sept. 15, 1940; dau. of Volley Edward Bunch, b. in Mo., Mar. 23, 1905; son of Willis Marion Bunch, b. April 19, 1882, d. Aug. 15, 1951 in Mo.; son of George Franklin (Frank) Bunch, b. April 13, 1859, d. Sept. 10, 1919; son of John Bunch, b. 1821, d. 1909; son of Stokeley Bunch. b. 1796. According to the 1850 Sullivan Co., Mo. census Stokeley Bunch was married to Aley. In my possession I have a copy of a deed made on the 14th day of June 1856 by and between Stokeley Bunch and Abey his wife of the County of Sullivan and state of Mo. concerning a piece of property they purchased in Sullivan Co., Mo. The name is signed "Abey". The 1860 Sullivan Co. census records Stokeley as being married or living with Cristena. It is quite probable that the first spelling of "Aley" is incorrect and should have been Abey. I do not have any definite records of Stokeleys parents or from where he came. The J. Riley Bunch of Milan, Mo (now deceased) that you wrote to a few years back said he believed they came from Court (Cork?) Co., Ireland, settled in Cumberland Co., Ky or Tenn., moved to Linn Co., Mo., then to Iowa a year, then back to Sullivan Co., Mo. and settled there. Possibly Stokeley's parents came from Ireland to Ky. or Tenn., where Stokeley was born. Then again, my grandfather Willis M. Bunch (deceased) spoke many times to my oldest sister Mary concerning the origin of "our Bunch family". He said they were German immigrants who came into this country illegally, changing their names from the original spelling of Bokar to the present Bunch, to avoid being noticed. Whether this is true we do not know.

In some papers you sent me you had listed, "1732, Five Bunch brothers landed inAlexandria, Va., from Aberdeen, Scotland - Jeremiah, Malachi, David, Paul and Henry. Came from Hanover, Germany to Scotland in 11th century, German spelling was Buntz. These 5 brothers settled in North Carolina."

This may be the Bunch family that Stokeley's ancestors belong to. It is possible that during the passing down of the original spelling (if it wasn't Bunch) through four or more generations that it too may have been changed, and that some of the details concerning the changing of the name or coming to this country may have been confused. This may be the reason for the difficulty of tracing the parents of Stokeley, b. 1796. The following dates and names are as I have them now. There may be possible errors.

As soon as I again find time to sit down and write to you I will fill in as much information as possible concerning the children of Willis Marion Bunch b. 1882 and that of my own brothers and sisters, their marraiges and their children. Perhaps the above information will be of some help to you. It is not complete by any means.

Have you checked out the possibility that the Cristena listed with Stokeley Bunch in the 1860 Sullivan Co., Mo census and was born in N.C. may have been a Bunch who came to Mo. after the death of Abey and stayed with Stokeley's family as a member. As of yet I have not located a certificate or marriage giving Cristena's maiden name. Have you any further information concerning the parents of Stokeley b. 1796 or his brothers George and James (?) as to where their parents came from or who their parents were?

At one time back in the east, I believe in Penn., there was a Baker estate which had to be settled which involved quite a bit of money. All known heirs had to be contacted. Abey Baker Bunch was a relative, and in July 1932, Walter H. Bunch, Winigan, Mo. (still living) made (or had made) a Statement of Claim, claiming himself as a descendant. I have a copy of the Statement and on it he lists the children of Stokley Bunch born 1796 as William, George, John, James, Ann, Ary, Elizabeth, Stokley, Jr. I do not know if this is correct, although I do believe it is totally correct.

With Best wishes to you in your research.

Sincerely yours,

/s/

PREFACE.

THE Publishers, with much pleasure, present this beautiful volume to their friends and patrons for whom it is prepared. It will be found to be a valuable work, full of interesting personal and historical reminiscences of many of the leading families and many of the most important occurrences in the eventful past of the Ozark Region. Every individual or family sketch was carefully type-written and submitted by mail, or written with pencil and submitted in person by our representative, to a member of the family. The greatest difficulty was experienced in the spelling of proper names from the fact that many of the personal sketches were not corrected and returned as promised and requested. The great care taken by the Publishers to submit every personal sketch should relieve them from all accountability for mistakes occurring in those sketches that were not corrected and returned by subscribers. It is hoped the errors are few and unimportant. The Publishers will willingly correct, by special errata sheet, as is their custom, the few inaccuracies which may appear, upon prompt notification of the same. They wish to call special attention to the fact that, in spite of the hard times and a limited patronage, they have issued a work fully up to their promises and one of high merit. The illustrations will be found to add very materially to the value of the volume. The Publishers, with pride, call particular attention to the superb mechanical execution of the volume, and warmly thank their friends for the success of their difficult enterprise. THE PUBLISHERS.

William Parker, who died in Phelps County in 1862; Sylvester, who died about 1850; and Mary Ann, wife of Alfred Deatherage. George W. Shedd was reared in the wilds of Shannon County, and the most of his education was obtained from his father. In 1862 he went to Phelps County, where he made his home for eleven years and labored in the iron works there, although he at various times followed other occupations. On the 4th of March, 1874, he led to the altar Miss Lovina, daughter of James Allison, who was a Virginian by birth, but who at an early day came to Missouri, and resided in various counties, where his attention was given to tilling the soil. He died in Phelps County about February 12, 1888, his wife also passing from life there May 3, 1874. Mrs. Shedd was born in Texas County, Mo., May 3, 1854, and was there reared and educated. Her union with Mr. Shedd has resulted in the birth of the following children: Anna Frances; William A., Mary (deceased) and James A., Effie, Etta, Paralee, Charley, Sylvester and Sadie. Immediately after his marriage Mr. Shedd returned to Shannon County and has since lived on the old homestead in Spring Valley, where he has a fine and well-improved farm of 256 acres. He is a strictly self made man and has been a great reader all his life and is therefore an exceptionally well-informed man. He always had a liking for law and read many of the best authors on this subject and in 1882 was licensed to practice in the Circuit Court by Judge J. R. Woodside and has since built up a large practice. He is true to his clients' interests and handles his cases in a skillful and able manner. He has been a Republican all his life, but voted for Tilden in 1876, and the same year was elected associate justice of the Shannon County Court from the Western District, and ably filled the office for one term of two years. He is a member of Summerville Lodge No. 555 of the A. F. & A. M., and as a citizen is active, public spirited and substantial. He commands the respect of all and has numerous friends.

HON. SIMEON W. BUNCH. The fortunate possessor of 205 acres of as good land as there is in the beautiful township of Sparta, our subject is one of the progressive farmers and representative citizens of Christian County, Mo., where he has long made his home. He came originally from Simpson County, Ky., born in 1832, and his parents, William and Malinda (Roark) Bunch, were probably natives of Tennessee, where they were reared and married. About 1831 the parents moved to Simpson County, Ky., and there the father died about 1833, when in the prime of life. He was a farmer by occupation and a soldier during the Black Hawk War. He was a son of Calloway and Nancy Bunch, who died in Warren County, Ky., when our subject was but a boy. The latter belonged to the old Virginia family of Bunches. After the death of her husband the mother of our subject married Joseph Cook, of Kentucky, and in 1837 removed with him to Taney County, Mo., where Mr. Cook died a few years later. Afterward Mrs. Cook made her home with her children and died at the home of her son in Miller County, Mo., about 1883. She was a Free-Will Baptist in her religious views. When she and her husband first settled in Taney County their nearest neighbor was ten miles away and the country was a wilderness inhabited by Indians and wild animals. Our subject is the youngest of three sons and two daughters: William died during the war and left a family; Nancy was the wife of J. B. Cook and died many years ago, leaving a family (Mr. Cook was murdered for his money during the war); James was a farmer and was in the East Missouri Militia during the war (he died in Miller County, Mo., about 1887; and Elizabeth died in Kentucky when young. Simeon W. Bunch was reared on a farm in Taney County amid the rude surroundings of pioneer life and had limited educational advantages. He remained with his mother until grown, and, in 1855 was married to Miss Martha Jackson, a native of Greene County, Mo., who bore him eleven children as follows: John M., a merchant at Little Beaver, Douglas County, Mo.; James died, in Ozark, leaving a family; William Berry married Miss Elizabeth Fitch, who died, leaving four children, two now living; Mary Elizabeth, wife of A. C. A. Sechler; Charles M., clerk at Ozark; Eliza M. married John W. Fitch and died, leaving two sons; Alex. married Miss Laura Adams and died, leaving his widow and an infant; Benjamin F., now of Texas, married Miss Blanche Wood, daughter of J. B. Wood; Martha A. is the wife of Wesley Eledge, of Carroll County, Mo.; Ellen and Elbert, twins, are at home. Mr. Bunch lived in Taney County until 1862, when he removed to Polk County, Iowa, but remained there only about a year, when he moved to Illinois. From there he moved to California, Mo., and in 1866 purchased a farm in Jasper County, Mo., where he made his home until 1688, when, owing to the ill health of his family, he returned to his old home in Taney County. There he resided until March 4, 1889, when he came to his present farm. He is engaged in stockraising and graingrowing, also raises considerable fruit, and has one of the best farms in the county. Although born in the South, Mr. Bunch was a stanch Union man during the war, but never took an active part. He was never molested by either army. Since his first presidential vote, which was cast for James Buchanan in 1856, he has affiliated with the Democratic party and he has held many of the county offices. In 1856 he was elected assessor of Taney County and held that position for two years, when Taney County included a part of Christian, Stone and Douglas Counties, and embraced his present farm. In 1858 he was appointed to the same office, holding that position two years, and so ably and well did he discharge the duties of the same, that he was reëlected in 1860, serving until interfered with by the war. In 1870 he was elected to represent Taney County in the Legislature and served on the committee on county and county boundary, etc., and introduced several important measures, although none became laws. Again his services were appreciated and he was reëlected in 1872. In 1874 he was offered the nomination, and was even solicited by Republicans, but refused to accept the nomination. In 1892 he was prevailed upon to accept the nomination for the same office in Christian County, but positively refused. He is a prominent Mason and now holds membership in Friend Lodge No. 352, at Ozark. For many years this worthy citizen has been a deacon in the Missionary Baptist Church, and the entire family hold membership in the same. Mr. Bunch is very familiar with the pioneer days of Taney County, and contended with the hardships and privations incident to that early period. In those days people went to Booneville with ox teams to do their marketing and were five or six weeks in making the trip. The nearest mill was north of Springfield, fifty-four miles away, and when attending church, the men carried their guns to protect themselves from wild animals.

THOMAS L. ROBERTSON. A man's life work is the measure of his success, and he is truly the most successful man who, turning his powers into the channel of an honorable purpose, accomplishes the object of his endeavor. In the study of every man's life we find some mainspring of action, something he lives for. In Thomas L. Robertson it seems to have been an ambition to make the best use of his native and acquired powers, and to develop in himself a true manhood. A native of Stone County, born October 26, 1856, his early life was spent in Ozark, attending the schools of that place. Later he became a clerk in his father's store, and when about twenty years of age went to St. Louis, where he was with a wholesale house for about a year and a half. Returning to Ozark he bought out the interest of Mr. Yoachum and embarked in business with his father. In the year 1874 he entered Drury College and there remained for about a year and a half, thus securing a good, practical

THE FAMOUS AND THE INFAMOUS

A lot of Bunchs have made their mark in this world, some have been and are great men and women, others have went the other way and have made history that we want to cover up and forget. I believe that both sides should be shown as long as the story will not be of a damaging nature to a living individual.

Our story this month is about Captain Gerald Eugene Bunch, as taken from "The Pictorial History of the Wild West" by James D. Horan and Paul Sann. I can not verify this story as being true or place this individual. Comments would be appreciated.

There were outlaws who were handsome, daring, coldblooded, cunning & shrewd - but only a few, like Captain Eugene Bunch, the Southwestern Outlaw, really possessed any education.

Bunch, known to outlaw history as "Capt's Gerald," was a former schoolteacher who sought to augument his meager salary by holding up trains in Louisiana, Texas and Mississippi. The "wanted" posters described him as "soft-spoken", and several newspaper accounts called him "handsome and daring." He was all three, and the ladies found him enormously attractive.

The career of "Capt'n Gerald" was comparatively brief. In November 1888 he climbed aboard a train outside New Orleans and courteously explainted to the Southern Express messenger that if he didn't open the safe he would have his brains blown out. All of this was in a "soft voice."

The messenger complied and Bunch escaped with $10,000 in bonds and currency. Bunch made his way to Texas, holding up two more trains and netting several thousand more dollars. In the larger cities like Dallas he moved in the best circles anddthe ladies took to their hearts this brown-eyed, mild, almost meloncholy man. He posed as an editor of a Richmond newspaper, carrying off his role so well that he edited a Texas newspaper for six months. It may be significant that the paper folded.

Somewhere along the line Bunch met the daughter of a former governor of Texas and began a torrid affair with her. When Bunch left for Mississippi for another train robbing spree, she refused to stay in Texas and followed him.

Bunch robbed three more trains. One newspaper solemly wrote, "It is reported that he has given money to a family in dire need." Thus was born a legend. Bunch had now become the Robin Hood of the canebrakes.

The reputation he acquired on the outlaw trail attracted other bandits. In 1889, Bunch abondoned his lone wolf tactics and rounded up a gang of five hard-riding killers and gunfighters, all on the run from the law in other states.

Charles O. Summers, a Pinkerton man, and T.V. Jackson, a dective from Southern Express, trailed the gang to Jefferson County, Mississippi. Posing as a reporter-artist for the New York Police Gazette "to cover the fights", Summers got enough evidence to arrest a farmer who was the horse-holder for the gang. The farmer confessed and led the two dectives and a posse to the gang's hideout, a small island deep in a swamp. The possemen in bateaux poled their way through the tangled brush, and crept ashore to surround the island completely.

Bunch and two of his gang were trapped while eating. The two were killed and Bunch tried to make a break. A rifle bullet smashed his hip and he went down. He rose to one knee and fired, the ball taking off the tip of Jackson's hat. Summers fired and Bunch fell over dead.

In his pocket were found three letters from his sweetheart, the daughter of the ex-governor. They were written in code, but ironically, at the bottom of one was written: "If you don't understand, write or wire me..."

Mrs. Garland B. King,

Dear Mrs. King:

Some time ago I had the pleasure of exchanging some material with you concerning King-Lawrence families. In one of your letters you incidentally mentioned your BUNCH family. At that time I had a possible connection with a Bunch line, but had not proved it. Since that time I have received this proof and would like to check further with you on the Bunch line.

My Bunch family goes back to Henry Bunch whose will, dated April 21, 1775, Oct. Court 1775, mentions daughter, Susanna Summerlin, wife of Lazarus Summerlin; dau. Rachel Collins, wife of Joseph Collins; and Mary Bass, wife of Isaac Bass; Ann Crumie now living "with me"; son Embry; grand son Zadock Bunch, son of Embry; grandson Cader Bass, son of Isaac; Peter Clifton Exr.; Test. Joseph Collins, Josiah Collins, David Collins. This will is from the N.C. Hist. and Gen. Reg. Vol. 2, p. 327-328. I am descended through the daughter Susanna Summerlin.

My Henry Bunch lived in Bertie County, N.C. and apparently died there. There was also another Henry Bunch later in Orange Co., N.C., but I do not know of his relationship to my Henry. I do have a marriage record from Bertie Co., N.C. dated Feb. 29, 1764 for Henry Bunch and Eleanor Boyplon. This is either another man or a later marriage for my Henry.

If you have anything in your Bunch files that connects with this family, I will appreciate it very much.

I hope you are having good luck with your research.

Sincerely,
Jewel R. Britton

Dear Mrs King:

I have been in Genealogy for approx. 2 years - a comparative new-comer by most standards, - I suppose.

I shall not bore you with a lot of my experiences as I have been less than totally sucessful.

Knowing of my Gr. Gf. Elliott Bunch, born in Ohio or Indiana - I first found him in the 1850 Census of Jasper Co Indiana - a 23 year old, living with his parents - America & Sarah "Elliott" Bunch. both born in N.C. (Perquimans Co.)

I next found ~~him~~ America a head of family in 1820 N.C Census. - at this point I made a poor assumption. Since he was "Bondsman" & "Surety" for many of the children of Nazereth Bunch Sr - I assumed him to be a son - not so - ~~He and~~ America & Sister

Joanna were orphants of
~~Nazereth Bunch~~, Julius Bunch
and assigned to 'Nazereth. 1806.

Now going back where I should
have Started (I ain't one of the
good "Letter Writing Bunches)"

Anyway I purchased one of "Mrs
Parks" Books and carried on
some correspondence with her. She
suggested I contact you. — alo
Mr De Witt Bunch of N.Y. —

I have already heard from Dewitt
and he is "really something."
He did give me the info that
Solomon, Nazereth I. Micajah &
Julius were brothers. -- In
additon he told me where I lived,
where I worked my wifes name
etc. -- amazing since his
record were over 20 years old.

Since I am unaware if
this is even remotely connected
to your line I'll give you a
short resume of my clan

Just a bit about myself.
Retired, Married, (3) Grandchildren in St Louis, Veteran, Mason, member of 1st Christian Ch (Disciples of Christ) — and modestly say just a "decent human being".

If you are a professional Genealogy researcher, I am able to pay for info. -- providing I know in advance your prices.

I would like to know about any "reunion" of Bunches.

According to Mrs Park (author) there seems to be no connection between the N.C and the Bunches in Virginia — at least the ones of Perquimans and Chowan Counties —

book
Even tho the "Parks and Bunch on the trail West" is an excellent book I am not sure about the beginning of the "tribe". - in fact I find evidence that William was her in Va about as soon as John - no further info.

I have easy access to our State archives here, I shall be happy to assist anyone on problems with their research here in Ark - "without charge" -

May I hear from you?

Home-Made Plane Crashes

MANSFIELD, Ohio (AP) — Leslie Bunch's home-made airplane almost made it from Montgomery, N.Y., to the Mansfield airport.

But it ran out of gas Friday — a third of a mile short of the runway.

The single-engine craft bounced off the top of two trees then flipped over and crashed in a cornfield.

Bunch, of Campbell Hall, N.Y., walked away with only a bruised arm.

The plane was a total loss.
